## **Quadrille A Romantic Comedy In Three Act:**

Noël Coward Russell Jackson,2022-04-21 This is the first book length work to draw extensively on unpublished archive material to document the composition and reception of some of Noël Coward's most significant plays It examines his working practices as a playwright from manuscript to performance This study argues that while he did not embrace any of the more radical theatricalisms of his time Coward experimented with both form and content He adapted the familiar well made formulas while also emphasizing theatrical self consciousness and an exploration of radical social and sexual relationships After an overview of Coward's career and the reception of his plays the work discusses selected texts from successive phases of Coward's career including some unproduced or uncompleted work and perennially popular plays such as *The Vortex* *Hay Fever* *Private Lives* *Design for Living* *Blithe Spirit* and *Present Laughter* This study also explores how in the aftermaths of two world wars as major changes in social and political circumstances suggested new approaches to dramaturgy Coward's post 1945 work failed to achieve the same success he had enjoyed in earlier periods The final chapter examines Coward's approach to his craft in response to the new theatrical and cultural environment and the new freedom in the treatment of homosexuality represented by *Suite in Three Keys* and his final uncompleted play *Age Cannot Withstand* *Focus On: 100 Most*

*Popular English Songwriters* Wikipedia contributors, **Quadrille** Noël Coward,1954 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **The National Union Catalog, 1952-1955 Imprints**,1961 **Catalog of Copyright Entries** Library of Congress. Copyright Office,1956 **The British Library General Catalogue of Printed Books to 1975** British Library,1977 General Catalogue of Printed Books British Museum.
