Quality Time On Highway 1:

Merchant Vessels of the United States ,1989 Kneebockers Chuck Blackburn,2008-04-17 Kneebockers is a book about life It is a name and yet it is also a spirit within my being The name was given to me at ten years old by another boy probably based on what I was wearing at the time I was a lad from the east dressed in short pants suspenders shirt sweater and leather Buster Brown shoes standing in the front of a two room schoolhouse in the Wild West of 1946 where blue jeans were the norm The incident at the time seemed to be just a short quick response made by a group of school kids toward a boy who looked and seemed different However the name of Kneebockers stayed with me for a lifetime I would not realize until years later as I grew and matured that the impact of the name on me would become bigger by the day No one else other than my father and those few kids knew that I was Kneebockers Kneebockers was within mea spirit a drive an identity A human being who was somewhat different My father was a major influence on forming a path for Kneebockers He provided a solid foundation for a young kid of ten and allowed me to mature through my teen years and into adulthood while safely bound to that basic structure The tales in this book tell a story of the bonds and love between my father a tough hardworking ironworker and welder and me his easygoing innocent son Together we headed west from New York State to Reno Nevada in 1946 Wes Blackburn my father was my mentor my rock and my inspiration in a lifetime of experiencing how to really live and appreciate each and every day My lessons began when living in and appreciating the vastness of the Nevada desert and the mountains in the West Two people together who many times never saw another human being for days on end The deer coyotes rabbits eagles hawks and buzzards became our company It was there that I began to discover who I could be on this earth and what I could learn about the earth My classroom was nature and the first topic was history Prospecting was a vehicle for turning back the clock to the 1800s Standing in an old mine with all of its strange tools still sitting intact against the tunnel wall due to the preservation of the dry desert air was more than just a reminder of days long ago These desert experiences formed a foundation for other exciting adventures that are a part of Kneebockerss life This single book could be many books Kneebockers River Guide Kneebockers the Golfer Kneebockers the Teacher and Coach Kneebockers the Voice of the Warriors or Kneebockers in the Political Arena Although this book covers only some of these episodes it holds open the opportunity to find out what Kneebockers is up to in his later years In this book I have looked inside myself to share the overwhelming emotions that occur when drift fishing on the Smith or Klamath River for salmon and steelhead hopefully allowing the reader to experience pulling hard on eight foot oars in heavy current while maneuvering through riffles whirlpools backwashes and large rocks to put the boat in proper position to catch that spectacular fish I strive to share the butterflies entering the stomach as a golfer gets up to execute a one hundred fifty yard golf shot flying over a lake and bunkers to hit a green and sink a putt to win a golf championship It is the spirit of Kneebockers that provides the drive the incentive the eagerness to tackle such challenges in life I love the Kneebockers in methe energy the drive to do my best A

saying comes to mind that pretty well sums up the Kneebickers in me Lets be winners even if it must occasionally be in defeat I used that mantra as a guideline for my coaching of players in both basketball and golf I have used it as a guideline for my life in general I hope that these tales will provide a lightness to life in this stressful world I hope that some individuals can benefit from the lessons of a solid relationship
