Rychlak, 2015-03-11 Edited by Ronald J Rychlak American Law from a Catholic Perspective is one of the most comprehensive surveys of American legal topics by major Catholic legal scholars Contributors explore bankruptcy corporate law environmental law family law immigration labor law military law property torts and several different aspects of constitutional law among other subjects Readers will find probing arguments that bring to bear the critical perspective of Catholic social thought on American legal jurisprudence Essays include Michael Ariens s account of Catholicism in the intellectual discipline of legal history William Saunders s assessment of human rights and Catholic social teaching Hadley Arkes s look at the place of Catholic social thought with respect to bioethics and many others on major legal topics and their intersection with Catholic social teaching American Law from a Catholic Perspective is essential reading for all Catholic lawyers judges and law students as well as an important contribution to non Catholic readers seeking guidance from a faith tradition on questions of legal jurisprudence Based on well developed and established ideas in Catholic social thought the evaluations suggestions and remedies offer ample food for thought and a basis for action in the realm of legal scholarship

Law in American History, Volume II G. Edward White, 2016-02-15 In this second installment of G Edward White s sweeping history of law in America from the colonial era to the present White covers the period between 1865 1929 which encompasses Reconstruction rapid industrialization a huge influx of immigrants the rise of Jim Crow the emergence of an American territorial empire World War I and the booming yet xenophobic 1920s As in the first volume he connects the evolution of American law to the major political economic cultural social and demographic developments of the era To enrich his account White draws from the latest research from across the social sciences economic history anthropology and sociology yet weave those insights into a highly accessible narrative Along the way he provides a compelling case for why law can be seen as the key to understanding the development of American life as we know it Law in American History Volume II will be an essential text for both students of law and general readers

Perspective on the American Past Michael Perman, 1996 Perspectives on the American Past helps students understand the significance that diversity plays in historical analysis Combined to discourage either or approaches to history the selections instead provoke complex and critical thinking by students

Stylistic Variation in Prehistoric Ceramics Stephen Plog, 1980-11-28 Plog argues that there are many more factors that cause design or stylistic variations on prehistoric artifacts than have been previously acknowledged Using data primarily from the American Southwest he shows why the methods of design analysis that have been used are often inappropriate and presents a new framework of explanation

The Franz Boas Papers, Volume 2 Franz Boas, 2024-04 The Franz Boas Papers Volume 2 explores the development of the ethnography of Salishan speaking societies on the North American Plateau as revealed through the correspondence between Franz Boas and the Scottish born James Teit who married into an Interior Salish family and community and became fluent in the Nlaka pamux

language The letters between Teit 1864 1922 and Boas 1858 1942 chronicle Teit's varied career as an ethnographer from shortly after his initial meeting with Boas in 1894 until Teit's death at the age of fifty eight A postscript documents Boas's contribution to Teit's legacy through the posthumous publication of the manuscripts Teit left unfinished at his death Teit made significant contributions to ethnography and the history of southern British Columbia through his photography of the people with whom he worked his contributions to ethnomusicology and ethnobotany his anthologies of mythic narrative and his collections of Interior Salish primarily Nlaka pamux material culture In addition to collaborating with Boas in the development of Interior Salish ethnography between 1909 and 1922 Teit worked to support Indigenous groups in British Columbia who were seeking recognition of Aboriginal title and resolution of their outstanding land claims The Franz Boas Papers Volume 2 meticulously tracks the impact of the differing career trajectories of Teit and Boas on the primary product of their collaboration the initial development of the ethnography of societies speaking Interior Salish languages This second volume of the Franz Boas Papers Documentary Edition is an essential primary source of archival materials for research libraries and for students and scholars of Northwest Coast and Interior Mountain West ethnohistory Native American and Indigenous studies history of anthropology and modern U S history It is also an essential source for Indigenous and settler descendant communities

Beyond the Civil War Hospital Kirsten Twelbeck, 2018-07-15 *Beyond the Civil War Hospital* understands Reconstruction as a period of emotional turmoil that precipitated a struggle for form in cultural production By treating selected texts from that era as multifaceted contributions to Reconstruction's mental adaptation process Leslie Butler Kirsten Twelbeck diagnoses individual conflicts between the heart and the brain only partly compensated for by a shared concern for national healing By tracing each text's unique adaptation of the healing trope she identifies surprising disagreement over racial equality women's rights and citizenship The book pairs female and male white authors from the antislavery North and brings together a broad range of genres

A Dancing People Clyde Ellis, 2003 This volume is a comprehensive history of Southern Plains powwow culture an interdisciplinary highly collaborative ethnography based on more than two decades of participation in powwows addressing how the powwow has changed over time

Colony and Empire William G. Robbins, 1994 Popular writers and historians alike have perpetuated the powerful myth of the rugged individualist single handedly transforming the American West In reality William Robbins counters it was the Guggenheims and Goulds the Harrimans and Hearsts and the Morgans and Mellons who masterminded what the West was to become Remove the romance he shows and a darker West emerges a colonial like region where industrial statesmen aided by eastern U S and European capital manipulated investments in pursuit of private gain while controlling wage earning cowboys and miners Robbins argues that understanding the impact of capitalism on the West from the fur trade era to the present is essential to understanding power influence and change in the region Showing how global capitalism had a more profound impact on the modern West than individual initiative he explores violence and racism along the Texas Mexican border

colonial style company towns in Montana and the Northwest contrasting traditions astride the U S Canadian boundary pace setting agribusiness and exploitation of labor in California the growing power of metropolitan centers and dependence of rural areas and the emergence of a sizable federal influence To grasp the essence of the West s dramatic transformation Robbins contends you must look to the mainstays of material relations in the region the perpetually changing character of political and economic culture the inherent instability of resources and the larger constellations of capitalist decision making Consequently he shows shy Western success and failure prosperity and misfortune and expansion and decline were all inseparably linked to the evolution of capitalism at the local regional national and global levels In the tradition of Patricia Nelson Limerick s *Legacy of Conquest* Robbins s study challenges some of our most revered images of the West and invigorates the ongoing debates over its history and meaning for our nation

Evolutionary Relationships of Living Lemurs and Lorises (Mammalia, Primates) and Their Potential Affinities with European Eocene Adapidae Jeffrey H. Schwartz, Ian Tattersall, 1985 *Anthropological Papers of the American Museum of Natural History*, 1987 *Mobilizing for Modern War* Paul A. C. Koistinen, 1997 In this volume Koistinen examines war planning and mobilizing in an era of rapid industrialization and reveals how economic mobilization for defense and war is shaped at the national level by the interaction of political economic and military institutions and by increasingly powerful and expensive weaponry *Annual Report - American Museum of Natural History* American Museum of Natural History, 1942 Includes list of members **The Literary World**, 1897 **The American Bookseller**, 1888 **United states policy and the inter-american peace system 1889-1...** Henry Myron Blackmer (Ii), 1952 **American Women Writers of the 19th Century** Heidi M.

Hanrahan, 2025-03-17 The nineteenth century was a period of prolific literary production from women writers including figures such as Louisa May Alcott Harriet Jacobs and Zitkala a who played pivotal roles in American literary history Despite facing societal forces aimed at silencing them women writers found ways to assert their voices and contribute to the intellectual and political debates of the era Their works contribute to conversations on a wide range of topics including art gender social reform slavery abolition economic and social inequality national expansion Native American dispossession and the changing identity of the nation Both retrospective and forward looking their written works found diverse audiences of men women and children This book functions as a comprehensive guide to understanding the breadth of nineteenth century women s writing exploring not only the writers and their texts but also the literary periods genres and key cultural historical and social movements that shaped their works By examining these authors impact on American literary traditions and their role in cultural discourse it highlights the lasting relevance of their work in both historical and contemporary contexts

History of a Free People Henry Wilkinson Bragdon, Samuel Proctor McCutchen, 1956 *Publications on Latin American History in ...*, 1938 *Annual Report of the American Museum of Natural History* American Museum of Natural History, 1989 **The Sweep of American History** Robert Rivers Jones, Gustav L.
