Gritsch, 1982 What are the origins of the born again movement How does the born again experience relate to Baptism Why do fundamentalists argue the literal inspiration of the Bible Answers to these questions and many more emerge from the story of the born again movement Born Againism places the born again phenomenon in historical perspective beginning in the late eighteenth century as a movement propelled by speculations about the end time millennialism When millennialists merged with fundamentalists and charismatics a powerful movement was born In direct non technical language Gritsch offers an ecumenical focus that should promote honest dialogue and critical reflection on a vital aspect of contemporary religious life An annotated bibliography of suggested additional readings is provided
