come these stories of ordinary people who against seemingly insurmountable odds help out those who inhabit Australia's vast untamed frontiers. No task is too great and no sacrifice too much for these modern-day heroes. Cheryl flies sick patients from rural areas to emergency medical treatment in cities. Sue is often the only one between life and death for her patients in the Kimberley. Ricky trades city comforts to connect with kids through sport in the dust of the desert, and Eileen overcomes great challenges to protect remote land for generations to come. These are some of the men and women who embody the spirit of the Outback. Inspiring, stirring, and touching by turn, these people draw on enormous personal reserves to maintain the values of the Outback for the future of all Australians. A taste of the great things happening in the outback. Williams has found some real gems. *Weekly Times*

*Women of the Outback* Sue Williams, 2009-08-31. Drought, flood, harrowing isolation, and horrific accidents: the Australian outback is no place for a lady. But the women of the Outback are a different breed: tough, resilient, and endlessly resourceful. They're both the backbone and the heart of Australia, keeping their farms going, their families together, and their communities alive, and often against overwhelming odds. Maree was left with three small daughters when her husband and young son were killed in a light plane crash. Molly lived alone in a 1920s homestead in the middle of the Simpson Desert for twenty years without even a phone. Alice admits she couldn't tell a cow from a bull when she first went to live in the Outback. This book tells the inspiring stories of fourteen remarkable women, from high achievers to everyday heroes. Their tales are often heart-rending and regularly touched by tragedy, but are always life-affirming. They portray Outback Australian women as they really are, and as we all wish we might be. Every word cried out to be read, a remarkable book. Bookseller. Publisher: humbling and awe-inspiring. *Woman's Day*

*Elizabeth and Elizabeth* Sue Williams, 2021-01-05. The story of how two women who should have been bitter foes combined their courage and wisdom to wield extraordinary power and influence behind the scenes of the fledgling colony. I've waited for this moment so long, dreamed of it, prepared for it. I can barely believe it's finally here. But it is. And it is nothing like I expected. There was a short time in Australia's European history when two women wielded extraordinary power and influence behind the scenes of the fledgling colony. One was Elizabeth Macquarie, the wife of the new governor, Lachlan Macquarie, nudging him towards social reform and magnificent buildings and town planning. The other was Elizabeth Macarthur, credited with creating Australia's wool industry and married to John Macarthur, a dangerous enemy of the establishment. These women came from strikingly different backgrounds, with husbands who held sharply conflicting views. They should have been bitter foes. Elizabeth. Elizabeth is about two courageous women thrown together in impossible times. Borne out of an overriding admiration for the women of early colonial Australian history, Sue Williams has written a novel of enduring fascination. An extraordinary story of female leadership at a time when such a quality was frowned on, and female friendship forged against the odds. Sue Williams. Elizabeth. Elizabeth brings us a nuanced and vivid portrait of the early days of colonisation. More importantly, it delivers a fascinating look into the relationship between two remarkable women. Meg Keneally, bestselling author of *The Wreck*. A fascinating and evocative story.

of an enduring friendship between two women who played such an important role in colonial Australia's history Caroline Beecham author of *Finding Eadie*      **That Bligh Girl** Sue Williams, 2023-05-02 A fascinating story of Governor Bligh's trouble making daughter Mary a powerful and determined woman from the bestselling author of *Elizabeth and Elizabeth* Superb narration and engrossing drama Tom Keneally *Mary Bligh is no shrinking violet* After an horrific six month sea voyage from Britain she proves as strong willed as her bloody minded father the newly appointed Governor William Bligh The pair immediately scandalise Sydney with their personalities his politics and her pantaloons When three hundred armed soldiers of the Rum Rebellion march on Government House to depose him the governor is nowhere to be seen Instead Mary stands defiantly at the gates fighting them back with just her parasol Despite being bullied belittled and betrayed Mary remains steadfast even when her desperate father double crosses her yet again in his last ditch attempt to cling onto power But will Mary turn out to be her father's daughter and deceive him in pursuit of her own dreams and ambitions Sue Williams returns to the untold stories of the women of colonial Sydney with another fascinating meticulously researched historical novel *Praise for Elizabeth and Elizabeth* An extraordinary story of female leadership at a time when such a quality was frowned on and female friendship forged against the odds Sue Williams *Elizabeth Elizabeth* brings us a nuanced and vivid portrait of the early days of colonisation More importantly it delivers a fascinating look into the relationship between two remarkable women Meg Keneally bestselling author of *The Wreck Well* written rich in historical detail and engaging a lovely novel and recommended reading especially for those interested in Australia's past Book d Out A fascinating and evocative story of an enduring friendship between two women who played such an important role in colonial Australia's history Caroline Beecham author of *Finding Eadie*      **The Backroom Boys** Graeme Sligo, 2013-10-05 *The Backroom Boys* is the remarkable but little known story of how a varied group of talented intellectuals drafted into the Australian Army in the dark days of 1942 provided high level policy advice to Australia's most senior soldier General Blamey and through him to the Government for the remainder of the war and beyond This band of academics lawyers and New Guinea patrol officers formed a unique military unit the Directorate of Research and Civil Affairs under the command of an eccentric and masterful string puller Alf Conlon The Directorate has been depicted as a haven for underemployed poets or meddling soldier politicians Based on wide ranging research this book reveals a fuller and more fascinating picture The fierce conflicts in the wartime bureaucracy between public servants and soldiers in which the Directorate provided critical support to Blamey went to the heart of military command accountability and the profession of arms The Directorate was a pioneer in developing approaches to military government in areas liberated by the combat troops as demonstrated by the Australian Army in New Guinea and Borneo in 1945-46 It is an issue of enduring importance The Directorate established the Australian School of Pacific Administration and had an important role in founding the Australian National University Its influence extended into post war Australia *The Backroom Boys* emphasises the personality of Colonel Alf Conlon as well as the talented men and women he

recruited Above all this book shows how unexpectedly the Australian Army fostered a group of men and women who made a lasting contribution to the development of Australia in the decades after the war **Glory & Fame** John Murray, 2009 Throughout the 1970s the Essendon Football Club was at its lowest ebb The Bombers made just three finals appearances that decade a huge shock to the system for a club accustomed to regular success That all changed when Kevin Sheedy walked through the doors of Windy Hill in 1981 Glory and Fame The Rise and Rise of The Essendon Football Club focuses on Essendon's resurgence from its lowest ebb to become a football superpower In a series of essays complemented by strong photography some of Australia's leading football writers including Rohan Connolly Scott Gullan Emma Quayle Glenn McFarlane and John Harms retrace the key moments in the Bombers renaissance and look at the key people who helped transform the club on and off the field Glory and Fame The Rise and Rise of The Essendon Football Club features in depth interviews with Kevin Sheedy James Hird Tim Watson Peter Jackson Terry Daniher Simon Madden Michael Long and many others who have been pivotal to the Bombers success over the past quarter of a century Plus there is a comprehensive review of each of the Bombers last four Grand Final triumphs the drought breaker of 1984 back to back success of 1985 the Baby Bombers of 1993 and the redemption of 2000 Glory and Fame The Rise and Rise of The Essendon Football Club gives a wonderful insight into how to achieve sporting success and is essential reading for Essendon supporters and all sports fans
