Quakers In Puritan England:

The Quakers in Puritan England Hugh Barbour, 1964

The Quakers in Puritan England Hugh Barbour, 1964

The Quakers in America Thomas D. Hamm, 2003 The Quakers in America is a multifaceted history of the Religious Society of Friends and a fascinating study of its culture and controversies today Lively vignettes of Conservative Evangelical Friends General Conference and Friends United meetings illuminate basic Quaker theology and reflect the group s diversity while also highlighting the fundamental unity within the religion Quaker culture encompasses a rich tradition of practice even as believers continue to debate whether Quakerism is necessarily Christian where religious authority should reside how one transmits faith to children and how gender and sexuality shape religious belief and behavior Praised for its rich insight and wide ranging perspective The Quakers in America is a penetrating account of an influential vibrant and often misunderstood religious sect Known best for their long standing commitment to social activism pacifism fair treatment for Native Americans and equality for women the Quakers have influenced American thought and society far out of proportion to their relatively small numbers Whether in the foreign policy arena the American Friends Service Committee in education the Friends schools or in the arts prominent Quakers profiled in this book include James Turrell Bonnie Raitt and James Michener Quakers have left a lasting imprint on American life This multifaceted book is a concise history of the Religious Society of Friends an introduction to its beliefs and practices and a vivid picture of the culture and controversies of the Friends today The book opens with lively vignettes of Conservative Evangelical Friends General Conference and Friends United meetings that illuminate basic Quaker concepts and theology and reflect the group s diversity in the wake of the sectarian splintering of the nineteenth century Yet the book also examines commonalities among American Friends that demonstrate a fundamental unity within the religion their commitments to worship the ministry of all believers decision making based on seeking spiritual consensus rather than voting a simple lifestyle and education Thomas Hamm shows that Quaker culture encompasses a rich tradition of practice even as believers continue to debate a number of central questions Is Quakerism necessarily Christian Where should religious authority reside Is the self sacred How does one transmit faith to children How do gender and sexuality shape religious belief and behavior Hamm s analysis of these debates reveals a vital religion that prizes both unity and diversity

Quaker Women Prophets in England and Wales, 1650-1700 Christine Trevett, 2000 This study covers the formative and troubled years of earliest Quakerism in England and Wales with some reference to migration to America Women were active to a remarkable degree in the sects of this time This volume concentrates on their contribution and patterns of change in Quaker groups

Martyrs' Mirror Adrian Chastain Weimer, 2014 Martyrs Mirror examines the folklore of martyrdom among seventeenth century New England Protestants exploring how they imagined themselves within biblical and historical narratives of persecution Memories of martyrdom especially stories of the Protestants killed during the reign of Queen Mary in the mid sixteenth century were central to a

model of holiness and political legitimacy The colonists of early New England drew on this historical imagination in order to strengthen their authority in matters of religion during times of distress By examining how the notions of persecution and martyrdom move in and out of the writing of the period Adrian Chastain Weimer finds that the idea of the true church as a persecuted church infused colonial identity Though contested the martyrs formed a shared heritage and fear of being labeled a persecutor or even admiration for a cheerful sufferer could serve to inspire religious tolerance The sense of being persecuted also allowed colonists to avoid responsibility for aggression against Algonquian tribes Surprisingly those wishing to defend maltreated Christian Algonquians wrote their history as a continuation of the persecutions of the true church This examination of the historical imagination of martyrdom contributes to our understanding of the meaning of suffering and holiness in English Protestant culture of the significance of religious models to debates over political legitimacy and of the cultural history of persecution and tolerance

The Quakers in South Africa Betty K. Tonsing, 2002 This is an account of the Quakers and their activities in South Africa up through the 20th century After an overview of early Quaker history in South Africa it examines their responses to segregation apartheid the defiance and resistance campaigns and their position on sanctions and reconciliation *Turning Toward the Victim* Thomas Gates, 2025-06-10 Part primer on Ren Girard's groundbreaking mimetic theory part Bible study through the lens of mimetic theory and part dialogue with early and contemporary Quakers *Turning Toward the Victim* demonstrates how these three perspectives can mutually inform one another in unexpected ways Contemporary liberal Friends Quakers have largely drifted away from the Bible due in part to its seeming sanction of divine violence Girard by contrast sees the themes of sacred violence and its overcoming as central to the biblical witness and so can provide the means by which Quakers and others might reengage with the Scriptures Girard's claim that the biblical God has nothing to do with violence will resonate with Friends' traditional commitment to nonviolence and peacemaking Girard's insights into the scapegoat mechanism can also help us to understand the witness of early Friends who functioned as the scapegoat caste in seventeenth century England Using the traditional Quaker framework of conviction, conviction and conversion Thomas Gates explores the relevance of these concepts for Friends and other Christians today

Quakers in the Colonial Northeast Arthur J. Worrall, 1980 Traces the Quaker experience in New England and New York from the arrival of the first English Quaker missionaries in 1656 to 1790 **The Quakers and the English Legal System, 1660-1688** Craig W. Horle, 1988 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press's distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **The Quakers and the English Revolution** Barry Reay, 1985

Quaker History, 2005 *Lancashire Quakers and the Establishment, 1660-1730* Nicholas Morgan, 1993 A study of Lancashire Quakers and the establishment between 1660 and 1730 *English Quakers and the First Industrial Revolution*

David H. Pratt, 1985 *The Quaker Origins of Antislavery* Jerry William Frost, 1980 **A Quaker experiment in government** Isaac Sharpless, 1898 The Growth and Development of Quaker Testimony, 1652-1661 and 1960-1994
Gerard Guiton, 2005 Examines the historical underpinnings of contemporary Quaker approaches to conflict in Third World settings This study specifically investigates the South African Quakerism under apartheid between the Sharpeville atrocity 1960 and the South African all party elections 1994 A History of Quaker Government in Pennsylvania: A Quaker experiment in government Isaac Sharpless, 1898 **Southern Quakers and Slavery** Stephen Beauregard Weeks, 1896
Early Quaker Writings, 1650-1700 Hugh Barbour, Arthur O. Roberts, 2004 This updated reprint contains a new introduction Combined with Hidden in Plain Sight this volume gives readers a wonderful glimpse into early Quaker spiritual experience **Christopher Hill and the Radical Quakers** Kerry Evalyn Dobbins, 2003

Yeah, reviewing a book **Quakers In Puritan England** could go to your near friends listings. This is just one of the solutions for you to be successful. As understood, exploit does not suggest that you have extraordinary points.

Comprehending as capably as harmony even more than further will have the funds for each success. next-door to, the message as with ease as keenness of this Quakers In Puritan England can be taken as with ease as picked to act.
