Selected Poems 1966 1987 aimed at presenting the second half of his career from Seeing Things onwards as he foresaw it. Although he was unable to complete a edition selection he left behind selections that have been followed here New Selected Poems 1988 2013 reprints the author s chosen poems from his later years beginning with his ground breaking volume Seeing Things 1991 his two Whitbread Books of the Year The Spirit Level 1996 and Beowulf 1999 and his multi nominated prize winning volumes Electric Light 2001 District and Circle 2006 and Human Chain 2010 The edition concludes with two posthumously published works

100 Poems Seamus Heaney, 2018-06-26 In 2013 Seamus Heaney met with Faber poetry editor Matthew Hollis in Dublin. He said that one project he would very much like to complete would be to prepare a personal selection from across the entire arc of his poetry small yet comprehensive enough to serve as an introduction for all comers. He never managed to make the selection in his lifetime and after his passing the project was initially set aside. But now at last it has been returned to once more and the result is an intimate gathering of poems chosen and introduced by the Heaney family. Coinciding with the opening by the National Library of Ireland of a permanent exhibition dedicated to the life and work of Seamus Heaney this is a singular accessible selection for new and younger readers that has the opportunity to reach far and wide now and ahead

Selected Poems 1988-2013 Seamus Heaney, 2025-09-23 A new edition of the later selected work of a Nobel Prize winning poet. Often considered to be the greatest poet of our age The Guardian Seamus Heaney was awarded the Nobel Prize in Literature in 1995 for works of lyrical beauty and ethical depth which exalt everyday miracles and the living past. He saw poetry as a vocation and credited it with the power to persuade the vulnerable part of our consciousness of its rightness in spite of the evidence of wrongness all around it the power to remind us that we are hunters and gatherers of values. Paul Muldoon wrote that Heaney was the only poet I can think of who was recognized worldwide as having moral as well as literary authority. Shortly before his death in 2013 Seamus Heaney began to compile Selected Poems 1988 2013 and although he was unable to complete the project his choices have been followed here. This volume encapsulates the finest work from Seeing Things 1991 with its lines of loss and revelation The Spirit Level 1996 where we experience the poem as ploughshare that turns time Up and over the landmark translation of Beowulf 1999 Electric Light 2001 a book of origins and oracles and his final collections District and Circle 2006 and Human Chain 2010 which limn the interconnectedness of being our lifelines to our inherited past

The Poems of Seamus Heaney Seamus Heaney, 2025-10-07 This book is a landmark and lets us see Heaney s work whose ripples we are still learning to navigate for the colossal achievement it is and it reminds us that Heaney is not only a keeper but an enricher of the word hoard. Philip Terry Guardian This is the long awaited definitive edition of Seamus Heaney s poetry. It encompasses all the poems Heaney published in his lifetime as well as the small number that appeared after his death twelve single volumes from Death of a Naturalist 1966 to Human Chain 2010 and those poems published in pamphlets journals and magazines or with limited circulation. In addition the book includes a selection of unpublished material chosen by the poet s family. It is a body of work

that in its entirety resounds with the lyrical beauty and ethical depth cited by the Nobel committee poems which exalt everyday miracles and the living past Critical introductions to each collection and notes that illuminate the history and development of the poems make this the essential volume for admirers of Heaney's work Heaney's voice by turns mythological and journalistic rural and sophisticated reminiscent and impatient stern and yielding curt and expansive is one of a suppleness almost equal to consciousness itself Helen Vendler More than any other poet since Wordsworth he can make us understand that the outside world is not outside but what we are made of John Carey His is closeup poetry close up to thought to the world to the emotions Few writers at work today in verse or fiction can give the sense of rich fecund lived life that Heaney does John Banville These poems find in the dowser's gift and the child's perception of the world images of the marvellous that are also wonderfully grounded Heaney is a poet who deserves to be read in entirety Jamie McKendrick For Heaney there were marvels enough in this world and never mind the next Ordinary objects and places a sofa a wireless a satchel a gust of wind the sound of rain were sanctified Blake Morrison *A Jungian Reading of Selected Poems of Seamus Heaney* Joy Rosemary Atfield, 2007 This book offers an examination of Seamus Heaney's poetic volume *Opened Ground* placing it into dialogue with the major themes terms and ideas of Jungian psychology This work should appeal to scholars interested in Jungian psychology Jungian readings of literature and Irish poetry *Opened Ground* in which the poems are read in Jungian terms Heaney had referred to himself as Jungian in religion and naturally used terms such as initiation individuation and the unconscious in interviews and essays Therefore key Jungian terms are examined in relation to Heaney's poetic expression of these and explored through at least one poem from each of the collections represented in *Opened Ground* This allows for an exploration of the creative tensions involved in the poet's presentation of personal poetic and political concerns while also allowing for further examination of the powerful physicality and musical qualities of the language in which he luxuriates
