Selected Poems Of John Keats:

100 Selected Poems, John Keats John Keats, 2019-01-08 One of the most notable romantic poets of the early nineteenth century John Keats had a poetic career lasting less than a decade And in this short time he produced some of the greatest verses of all time This collectable edition brings together his early poems along with his finest sonnets and remarkably flawless odes composed in the years before his death It includes Imitation of Spenser To Lord Byron Calidore A Fragment Oh how I love on a fair summer s eve I stood tip toe upon a little hill Sleep and Poetry Endymion Isabella Lamia his beautiful lyric odes composed in 1819 and both the versions of Hyperion Each poem is a specimen of his vibrant imagination sensational lyric and thoughtful recognition and appreciation of beauty in everything **Selected Poems** John Keats, 1993 A selection of poems by John Keats This book is part of a series aimed at the general reader rather than the specialist and as such carries no critical or explanatory apparatus Other poets featured in this series include Christina Rossetti John Donne and Gerard Manley Hopkins **Selected Poems** John Keats, 1988 This is an entirely new selection of Keats s finest poetry containing all his best known work as well as a sample of less familiar pieces Keats published three volumes of poetry before his death at age twenty five of tuberculosis and while many of his contemporaries were prompt to recognize his greatness snobbery and political hostility led the Tory press to vilify and patronize him as a Cockney poet Financial anxieties and the loss of those he loved most had tried him persistently yet he dismissed the concept of life as a vale of tears and substituted the concept of a vale of Soul making His poetry and his remarkable letters reveal a spirit of questing vitality and profound understanding and his final volume which contains the great odes and the unfinished Hyperion attests to an astonishing maturity of power Selected Poems of John Keats John Keats, 1955 **Selected Poems: Keats** John Keats, 2007-04-26 Over the course of his short life John Keats 1795 1821 honed a raw talent into a brilliant poetic maturity By the end of his brief career he had written poems of such beauty imagination and generosity of spirit that he had unwittingly fulfilled his wish that he should be among the English poets after my death This wide ranging selection of Keats s poetry contains youthful verse such as his earliest known poem Imitation of Spenser poems from his celebrated collection of 1820 including Lamia Isabella The Eve of St Agnes Ode to a Nightingale and Hyperion and later celebrated works such as La Belle Dame sans Merci Also included are many poems considered by Keats to be lesser work but which illustrate his more earthy playful side and superb ear for everyday language **Complete Poems and Selected Letters of John Keats** John Keats, 2009-07-22 I think I shall be among the English Poets after my death John Keats soberly prophesied in 1818 as he started writing the blankverse epic Hyperion Today he endures as the archetypal Romantic genius who explored the limits of the imagination and celebrated the pleasures of the senses but suffered a tragic early death Edmund Wilson counted him as one of the half dozen greatest English writers and T S Eliot has paid tribute to the Shakespearean quality of Keats s greatness Indeed his work has survived better than that of any of his contemporaries the devaluation of Romantic poetry that

began early in this century This Modern Library edition contains all of Keats's magnificent verse *Lamia* *Isabella* and *The Eve of St Agnes* his sonnets and odes the allegorical romance *Endymion* and the five act poetic tragedy *Otho the Great* Presented as well are the famous posthumous and fugitive poems including the fragmentary *The Eve of Saint Mark* and the great *La Belle Dame sans Merci* perhaps the most distinguished literary ballad in the language No one else in English poetry save Shakespeare has in expression quite the fascinating felicity of Keats his perception of loveliness said Matthew Arnold In the faculty of naturalistic interpretation in what we call natural magic he ranks with Shakespeare
