

William Butler Yeats

I will arise and go now, and go to Innisfree,
And a small cabin build there, of clay and wattles made;
Nine bean rows will I have there, a hive for the honey bee,
And live alone in the bee-loud glade.

Selected Poems Of William Butler Yeats

William Butler Yeats

Selected Poems Of William Butler Yeats:

The Collected Poems of W. B. Yeats William Butler Yeats, 2000 Poetry *Selected Poetry* William Butler Yeats, 1991
This new selection includes the final book from the unfairly neglected narrative poem *The Wanderings of Oisín* and a number of lyrics from Yeats's work as poetic dramatist together with other short pieces which have not achieved canonical status. It breaks new ground by allowing the reader to engage with a dozen poems in alternative versions; in many other cases it provides significant variants so that Yeats's struggle to revise his poetry and to remake himself can be experienced with unusual immediacy. Selected Poems And Four Plays William Butler Yeats, 2011-11-08 Since its first appearance in 1962 M. L. Rosenthal's classic selection of Yeats's poems and plays has attracted hundreds of thousands of readers. This newly revised edition includes 211 poems and 4 plays. It adds *The Words Upon the Window Pane*, one of Yeats's most startling dramatic works, in its realistic use of a seance as the setting for an eerily powerful reenactment of Jonathan Swift's rigorous idealism, baffling love relationships and tragic madness. The collection profits from recent scholarship that has helped to establish Yeats's most reliable texts in the order set by the poet himself. And his powerful lyrical sequences are amply represented, culminating in the selection from *Last Poems* and *Two Plays*, which reaches its climax in the brilliant poetic plays *The Death of Cúchulain* and *Purgatory*. Scholars, students, and all who delight in Yeats's varied music and sheer quality will rejoice in this expanded edition. As the introduction observes: Early and late he has the simple indispensable gift of enchanting the ear. He was also the poet who, while very much of his own day in Ireland, spoke best to the people of all countries. And though he plunged deep into arcane studies, his themes are most clearly the general ones of life and death, love and hate, man's condition and history's meanings. He began as a sometimes effete post-Romantic heir to the pre-Raphaelites and then quite naturally became a leading British Symbolist, but he grew at last into the boldest, most vigorous voice of this century. *Selected Poems and Four Plays* represents the essential achievement of the greatest twentieth-century poet to write in English.

Selected Poems and Three Plays of William Butler Yeats William Butler Yeats, 1986 A revised and expanded edition of the classic volume of Yeats's work including the play *The Death of Cúchulain*. **Selected Poems of William Butler Yeats** William Butler Yeats, 1994 100 Selected Poems, W. B. Yeats William Butler Yeats, 2018-01-12 The mastermind behind the Irish literary Renaissance, William Butler Yeats had a remarkable literary career spanning across five decades. This collectable edition brings together his early poems along with some of his finest verses composed in the years following his Nobel Prize. It includes *The Wanderings of Oisín*, *The Sad Shepherd*, *The Stolen Child*, *The Lake of Innisfree*, *The Sorrow of Love*, *When You Are Old*, *An Irish Airman Foresees his Death*, *The Second Coming*, *Sailing to Byzantium*, *Leda and the Swan*, and *Byzantium*. Each is a specimen of his exquisite craftsmanship. *Selected Poems* William Butler Yeats, 1992 A selection of poems by W. B. Yeats.
