Selected Writings Of Mordecai Noah:

The Selected Writings of Mordecai Noah Mordecai Manuel Noah, 1999-05-30 Brings together the major writings of America's first important Jewish writer

Race and Utopian Desire in American Literature and Society Patricia Ventura, Edward K. Chan, 2019-10-12 Bringing together a variety of scholarly voices this book argues for the necessity of understanding the important role literature plays in crystallizing the ideologies of the oppressed while exploring the necessarily racialized character of utopian thought in American culture and society Utopia in everyday usage designates an idealized fantasy place but within the interdisciplinary field of utopian studies the term often describes the worldviews of non dominant groups when they challenge the ruling order In a time when white supremacy is reasserting itself in the US and around the world there is a growing need to understand the vital relationship between race and utopia as a resource for resistance Utopian literature opens up that relationship by envisioning and negotiating the prospect of a better future while acknowledging the brutal past The collection fills a critical gap in both literary studies which has largely ignored the issue of race and utopia and utopian studies which has said too little about race

The Cambridge History of Jewish American Literature Hana Wirth-Nesher, 2015-12-09 This History offers an unparalleled examination of all aspects of Jewish American literature Jewish writing has played a central role in the formation of the national literature of the United States from the Hebraic sources of the Puritan imagination to narratives of immigration and acculturation This body of writing has also enriched global Jewish literature in its engagement with Jewish history and Jewish multilingual culture Written by a host of leading scholars The Cambridge History of Jewish American Literature offers an array of approaches that contribute to current debates about ethnic writing minority discourse transnational literature gender studies and multilingualism This History takes a fresh look at celebrated authors introduces new voices locates Jewish American literature on the map of American ethnicity as well as the spaces of exile and diaspora and stretches the boundaries of American literature beyond the Americas and the West

Members of the Tribe Rachel Rubinstein, 2010-03-15 A history of representations of American Indians in Jewish literature and popular media In *Members of the Tribe* Native America in the Jewish Imagination author Rachel Rubinstein examines interventions by Jewish writers into an ongoing American fascination with the imaginary Indian Rubinstein argues that Jewish writers represented and identified with the figure of the American Indian differently than their white counterparts as they found in this figure a mirror for their own anxieties about tribal and national belonging Through a series of literary readings Rubinstein traces a shifting and unstable dynamic of imagined Indian Jewish kinship that can easily give way to opposition and especially in the contemporary moment competition In the first chapter *Playing Indian* *Becoming American* Rubinstein explores the Jewish representations of Indians over the nineteenth century through narratives of encounter and acts of theatricalization In chapter 2 *Going Native* *Becoming Modern* she examines literary modernism's fascination with the Indian poet and a series of Yiddish translations of Indian chants that appeared in the

modernist journal *Shrift* in the 1920s In the third chapter *Red Jews* Rubinstein considers the work of Jewish writers from the left including Tillie Olsen Michael Gold Nathanael West John Sanford and Howard Fast and in chapter 4 *Henry Roth* Native Son Rubinstein focuses on Henry Roth's complicated appeals to Indianness The final chapter *First Nations* addresses contemporary contestations between Jews and Indians over cultural and territorial sovereignty in literary and political discourse as well as in museum spaces As Rubinstein considers how Jews used the figure of the Indian to feel at home in the United States she enriches ongoing discussions about the ways that Jews negotiated their identity in relation to other cultural groups Students of Jewish studies and literature will enjoy the unique insights in *Members of the Tribe*

City of promises : a history of the Jews of New York Deborah Dash Moore, Howard B. Rock, Jeffrey S. Gurock, Annie Polland, Daniel Soyer, 2012-09-10 New York Jews so visible and integral to the culture economy and politics of America's greatest city has eluded the grasp of historians for decades Surprisingly no comprehensive history of New York Jews has ever been written *City of Promises* The History of the Jews in New York a three volume set of original research pioneers a path breaking interpretation of a Jewish urban community at once the largest in Jewish history and most important in the modern world

American Zion Eran Shalev, 2013-03-26 *DIV* The Bible has always been an integral part of American political culture Yet in the years before the Civil War it was the Old Testament not the New Testament that pervaded political rhetoric From Revolutionary times through about 1830 numerous American politicians commentators ministers and laymen depicted their young nation as a new God chosen Israel and relied on the Old Testament for political guidance In this original book historian Eran Shalev closely examines how this powerful predilection for Old Testament narratives and rhetoric in early America shaped a wide range of debates and cultural discussions from republican ideology constitutional interpretation southern slavery and more generally the meaning of American nationalism to speculations on the origins of American Indians and to the emergence of Mormonism Shalev argues that the effort to shape the United States as a biblical nation reflected conflicting attitudes within the culture proudly boastful on the one hand but uncertain about its abilities and ultimate destiny on the other With great nuance *American Zion* explores for the first time the meaning and lasting effects of the idea of the United States as a new Israel and sheds new light on our understanding of the nation's origins and culture during the founding and antebellum decades *div* *Haven of Liberty* Howard B. Rock, 2015-01-08 Part 1 of a three part series *City of promises* a history of the Jews of New York Deborah Dash Moore general editor **Selected Writings** Leo L. Honor, 1965

Literary Writings in America, 1977 Selected Works of Israel Zangwill Israel Zangwill, 1938 Gift of Rabbi W Gunther Plaut **Antebellum Writers in New York** Kent Ljungquist, 2002 Contains biographical sketches of authors who wrote or began writing their major works during the period 1820 to 1860 Represented are writers of short stories juvenile literature sermons and popular literature as well as novelists poets essayists editors humorists translators compilers journalists reformers historians abolitionists and scientists *America and the Orient* Heike Schäfer, 2006 In the aftermath of 9 11

fearful images of the Orient as a volatile blend of religious extremism and anti western politics have flourished in the United States and Europe Yet Orient and Occident are interrelated cultural formations This interdisciplinary volume explores the rich history of cultural and political exchange between Arab South Asian and American cultures from the 18th century to the present Nineteen original essays which were first presented at the 51st conference of the German Association for American Studies address the emergence of Arab American literature intercultural encounters in the works of Arab Arab American and South Asian American writers and artists and the Orient as a geographical region as well as a foil for American self definitions in U S literature opera and film Revisiting the work of Edward Said and Samuel Huntington the collection examines how we develop our knowledge and fantasies about the Orient **Nineteenth-century Literature** ,2001

Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontes Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James The Queens College Journal of Jewish Studies ,2004 *The American Jewish Archives Journal* ,2001 *Index to Jewish Periodicals* ,2002 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests Selected Works of Louis Lipsky: Thirty years of American Zionism Louis Lipsky,1927 **Cumulated Index to the Books** ,1999 *Masquerade* Alfred F. Young,2004 *Masquerade* is the remarkable story of a woman who fought in the American revolution as a man and got away with it **Book Review Index** ,2001 Every 3rd issue is a quarterly cumulation
