**The Selected Writings of Jack B. Yeats** Jack Butler Yeats, 1991 Tragi komische fragmenten uit een aantal romans en toneelstukken van de Ierse schrijver en schilder 1871 1957 Jack B. Yeats Hilary Pyle, Jack Butler Yeats, 1992 **J. M. Synge** Seán Hewitt, 2021-01-07 This book is a complete re assessment of the works of J M Synge one of Ireland s major playwrights The book offers the first complete consideration of all of Synge s major plays and prose works in nearly 30 years drawing on extensive archival research to offer innovative new readings Much work has been done in recent years to uncover Synge s modernity and to emphasise his political consciousness This book builds on this re assessment undertaking a full systematic exploration of Synge s published and unpublished works Tracing his journey from an early Romanticism through to the more combative modernism of his later work the book s innovative methodology treats text as process and considers Synge s reading materials his drafts letters diaries and journalism turning up exciting and unexpected revelations Thus Synge s engagement with occultism pantheism socialism Darwinism and even a late reaction against eugenic nationalisms are all brought into the critical discussion Breaking new ground in ascertaining the tenets of Synge s spirituality and his aesthetic and political idealization of harmony with nature the book also builds on new work in modernist studies arguing that Synge can be understood as a leftist modernist exhibiting many of the key concerns of early modernism but routing them through a socialist politics Thus this book is valuable not only to considerations of Synge and the Irish Revival but also to modernist studies more broadly **The Selected Essays of Sean O Faolain** Brad Kent, 2016-11-10 The first collection of essays by one of the most important public intellectuals in Ireland *Irish Modernism* Edwina Keown, Carol Taaffe, 2010 An examination of the emergence reception and legacy of modernism in Ireland Engaging with the ongoing re evaluation of regional and national modernisms the essays collected here reveal both the importance of modernism to Ireland and that of Ireland to modernism This collection introduces fresh perspectives on modern Irish culture that reflect new understandings of the contradictory and contested nature of modernism itself **A History of Irish Modernism** Gregory Castle, Patrick Bixby, 2019-01-24 This book attests to the unique development of modernism in Ireland driven by political as well as artistic concerns *Dictionary of Irish Literature* , 1996 American literature and Irish culture, 1910-55 Tara Stubbs, 2015-11-01 *American literature and Irish culture 1910 55* The politics of enchantment discusses how and why American modernist writers turned to Ireland at various stages during their careers By placing events such as the Celtic Revival and the Easter Rising at the centre of the discussion it shows how Irishness became a cultural determinant in the work of American modernists It is the first study to extend the analysis of Irish influence on American literature beyond racial ethnic or national frameworks Through close readings and archival research *American literature and Irish culture 1910 55* provides a balanced and structured approach to the study of the complexities of American modernist writers responses to Ireland Offering new readings of familiar literary figures including Fitzgerald Moore O Neill Steinbeck and Stevens it makes for essential reading
