Selfesteem Revolutions In Children Understanding And Managing The Critical Transitions In Your Child's Life:

1-2-3 Magic Thomas W. Phelan, PhD, 2010-10-01 This revised edition of the award winning 1 2 3 Magic program addresses the difficult task of child discipline with humor, keen insight and proven experience. The technique offers a foolproof method of disciplining children ages two through 12 without arguing, yelling or spanking. By means of three easy to follow steps, parents learn to manage troublesome behavior, encourage good behavior and strengthen the parent-child relationship, avoiding the Talk-Persuade-Argue-Yell-Hit syndrome which frustrates so many parents. Ten strategies for building a child's self-esteem and the six types of testing and manipulation a parent can expect from the child are discussed, as well as tips on how to prevent homework arguments, make mealtimes more enjoyable, conduct effective family meetings and encourage children to start doing their household chores. New advice about kids and technology and new illustrations bring this essential parenting companion completely up to date.

Parenting on Your Own Lynda Hunter, 2010-12-21 What you hoped for in life was a smooth road with enough turns to make it interesting. As a single parent, what you got was a rocky path marked by money issues, a barren social life and more to do in one day than most people accomplish in three. Dr. Lynda Hunter knows how hard it can be. Her own experience as a single parent has taught her firsthand about the concerns you face daily. It's also taught her how to handle those concerns effectively. Now in *Parenting On Your Own*, Dr. Hunter combines her personal insights with those of hundreds of single parents across the country to offer this first of its kind definitive handbook for single parents. Here at last are the real-life answers you've longed for to the real-life questions you've been asking about coping with isolation, loneliness and other emotions, being a full-time parent and making a living and having a social life, filling in the gaps left by the missing parent, dealing with financial crunches and much more. You won't find a more thorough, practical and well-researched guide to single parenting anywhere. This timely resource not only supplies help for your greatest struggles but new hope and encouragement, a single parent's best allies.
