Selwyn Lloyd:

Grand Designs and Visions of Unity Jeffrey Glen Giauque, 2002 In the late 1950s against the unfolding backdrop of the Cold War American and European leaders began working to reshape Western Europe Focusing on the four largest Atlantic powers Britain France Germany and the United States Giauque explores these early stages of European integration

British Foreign Policy Towards Turkey, 1959-1965 Cihat Goktepe, 2013-07-23 This volume examines how Conservative and Labour governments in the UK related diplomatically to a plurality of Turkish governments between 1959 and 1965 With research based on newly available Public Records Office archives the author provides insight on British reactions to political events in Turkey and shows that in relation to the partition of Cyprus the crucial changes started as early as 1963 with Britain's indirect support

Türkiye-Britain Relations Gürol Baba, Oguzhan Göksel, Ozan Örmeci, 2024-12-15 Türkiye Britain Relations Two Hundred Years of an Intertwined Conflict and Cooperation studies all aspects of Turkish British relations Türkiye's relations with Britain including those in the Ottoman era followed a peculiar pattern of cordial bilateralism There was continuous correspondence and a certain level of understanding even during the very times of hostility i.e. the Anglo Turkish War 1807-1809 and the First World War 1914-1918 While the Ottoman Empire considered Britain a great power to be allied with Britain treated the Ottoman Empire as a counterbalance in its Great Game against Russia and its competition with France throughout the 19th century After the proclamation of the Republic of Türkiye in 1923 Britain continued to be a bilateral partner with Türkiye during the Second World War Ankara's membership to NATO relations with the Middle East the Cyprus issue relations with the European Union and the United States Almost at every turning point of this bilateral relationship conflict and cooperation walked hand in hand and without demolishing the above stated understanding and consideration

The Almost Impossible Ally Peter Mangold, 2006-02-02 On 14 January 1963 General de Gaulle described by the Foreign Office as an almost impossible ally brutally vetoed Britain's first bid to join the Common Market It was a blow that delayed Britain's entry for a decade and hastened the end of Harold Macmillan's political career Peter Mangold writes in arresting detail about the fascinating personal duel that shaped high politics and Anglo French diplomacy He portrays two of the most complex and skilful leaders of the post war era old friends from their association in Algiers during World War II de Gaulle the dour lofty moralist obsessed with high notions of France and Macmillan the canny ambitious fixer always the pragmatist seeking to get things done As Resident Minister Allied Forces Headquarters in Algiers in 1943 Macmillan had done much to help de Gaulle and protect him from Churchill's and Roosevelt's hostility They next met in 1958 as leaders of their two countries when Britain and France faced many similar problems ranging from decolonization and their determination to retain national Great Power status to relations with the impetuous Soviet leader Nikita Khrushchev But while both seemed anxious to retain their old wartime connection they were now rivals with very different views of the world Divided by the Atlantic as much as the Channel the two leaders disagreed

fundamentally over America De Gaulle sought the leadership of a Europe independent of the United States the pro American Macmillan talked of Britain as a bridge between the two sides of the Atlantic When Macmillan finally sought EEC membership de Gaulle played on the old alliance to keep the British Prime Minister off guard Ultimately Macmillan was outwitted out manoeuvred and even perhaps outclassed by the General The Almost Impossible Ally is a fascinating story of a friendship turned sour and of a compelling new episode in the turbulent relations between Britain and France British Political Leaders Keith Laybourn,2001-08-16 This A Z biographical dictionary profiles Britain s prime ministers foreign secretaries home secretaries and Chancellors of the Exchequer from 1730 through the present all in clear concise language These leaders guided the nation through the loss of empire through two devastating world wars and into a new role as members of the European Union In clear accessible language this new dictionary shows how in the 18th century and to a lesser extent in the 19th century many of Britain s top leaders were linked more closely by family and factional interests than by party It also illustrates and helps to explain the rise of the Labour Party and the emergence of New Labour *A Guide to the Papers of British Cabinet Ministers 1900-1964* Cameron Hazlehurst,Sally Whitehead,Christine Woodland,1996 A Guide to the Papers of British Cabinet Ministers 1900 1964 is the revised and expanded edition of a volume published by The Royal Historical Society in 1974 Up to date information on the papers of 323 ministers from the first edition is provided and its scope has increased from 323 ministers to include all Cabinet ministers until the resignation of Sir Alec Douglas Home as Prime Minister in 1964 This Guide is a major research tool and a source of information on the personal papers of British Cabinet ministers Soviet Union Political Reports, 1917-1970 Robert Jarman,2004 Collection of documents covering the period 1917 to 1970 during which the political landscape of Russia changed beyond recognition **Struggle for Disarmament** United States Information Service (London, England),1954 **The British Library General Catalogue of Printed Books 1976 to 1982** British Library,1983 *North America Skyline* ,1957 Butterworth's Workmen's Compensation Cases Alfred Henry Ruegg,Francis Joseph Coltman,Douglas Knocker,Edgar Thorniley Dale,1948 Vol 6 includes reports of cases dealing with national insurance and general insurance other than marine **Musical Opinion and Music Trade Review** ,1909 *Brassey's Naval and Shipping Annual* ,1955 *The New Strand* ,1961 **The Turks** Hasan Celâl Güzel,Cem Oğuz,Osman Karatay,2002 Struggles in War and Peace, 1939-1966 Iverach McDonald,1984 The History of the Times ,1984 *The History of the Times* Iverach McDonald,1935 **The History of the Times: Struggles in war and peace, 1939-1966** Iverach McDonald,1984 Eden D. R. Thorpe,2003 Based on hitherto unseen primary source material this biography of the once Prime Minister and Foreign Minister reveals the inside stories of the Munich crisis and the Suez crisis It also throws new light on Churchill
