

Sexual Art Des Photographies Qui Repoub

Herbert David Croly

Sexual Art Des Photographies Qui Repoub:

"Art, Sex and Eugenics " Anthea Callen, 2017-07-05 This book reveals how art and sex promoted the desire for the genetically perfect body Its eight chapters demonstrate that before eugenics was stigmatized by the Holocaust and Western histories were sanitized of its prevalence a vast array of Western politicians physicians eugenic societies family leagues health associations laboratories and museums advocated through verbal and visual cultures the breeding of the master race Each chapter illustrates the uncanny resemblances between models of sexual management and the perfect eugenic body in America Britain France Communist Russia and Nazi Germany both before and after the Second World War Traced back to the eighteenth century anatomy lesson the perfect eugenic body is revealed as athletic hygienic pure blooded and sexually potent This paradigm is shown to have persisted as much during the Bolshevik sexual revolution as in democratic nations and fascist regimes Consistently posed naked these images were unashamedly exhibitionist and voyeuristic Despite stringent legislation against obscenity not only were these images commended for soliciting the spectator s gaze but also for motivating the spectator to act out their desire An examination of the counter archives of Maori and African Americans also exposes how biologically racist eugenics could be equally challenged by art Ultimately this book establishes that art inculcated procreative sex with the Corpus Delecti the delectable body healthy wholesome and sanctioned by eugenicists for improving the Western race

Dreyfus and the Literature of the Third Republic Evelyn Gould, 2012-10-06 Captain Alfred Dreyfus a French Jewish army officer spent twelve years from 1894 to 1906 in solitary confinement for a crime he did not commit Amidst the dramatic and shifting revelations of what would come to be known throughout the world as the Dreyfus Affair four influential authors reassessed their moral convictions on the civic questions posed by this abuse Emile Zola Maurice Barres Bernard Lazare and Marcel Proust offered fictive articulations of response to these questions Among them national citizenship and the roles of secularism and public education as well as tolerance of Jews and other immigrants to France loom largest The four authors considered dilemmas still unresolved in the modern democratic cultures of Europe today Moreover as this critical study illuminates the writers in effect were teaching readers to negotiate individual desires and collective purpose and to assess their own values as the effects of Dreyfus continued to ripple through society

Necklines Ewa Lajer-Burchard, Jacques Louis David, 1999-01-01 This book examines the crucial period in the painter s career as he struggled to save his neck and recast his identity in the aftermath of the Reign of Terror Burchard assesses his works in the context of the larger cultural and social formations emerging in France concluding with an interpretation of the unfinished portrait of Juliette Recamier

Images of Older People in Western Art and Society Herbert C. Covey, 1991-03-30 How older people have been perceived during various periods of history from the Middle Ages to the 19th century is the focus of this heavily illustrated study of the elderly in Western society Herbert Covey presents the reader with a wide range of portrayals of the elderly in both art and literature and goes on to analyze in detail the images and symbols of

aging sexuality family and death found in these depictions His analyses of the works reflect a variety of disciplines including fine arts gerontology history sociology psychology and literature This book increases our consciousness of images of older people in Western culture by debunking common images and providing background information on how current images and perceptions have developed Images of Older People in Western Art and Society illustrates how society has both defined and portrayed advanced age in Western painting drawing literature and drama First images of aging are presented Then recognizable symbols that have been used throughout history as metaphors for characteristics of aging are shown Because the elderly are often closely involved with family one chapter is devoted to images of the elderly within the family structure Current art often shows the elderly as sexless but that wasn't always so Today death is frequently associated with old age although throughout history death has been associated with all ages Social historians gerontological practitioners and sociologists will find a great deal to study in this visual history The book is illustrated with 41 black and white reproductions of paintings and drawings

The New Republic Herbert David Croly, 1978 *Women Readers in French Painting 1870-1890* Kathryn J. Brown, 2012 The first monograph to examine the depiction of reading women in French art of the early Third Republic *Women Readers in French Painting 1870 1890* evaluates the pictorial significance of this imagery its critical reception and its impact on nineteenth century notions of femininity and social relations Artists discussed in the volume range from Manet Cassatt and Degas to less familiar figures such as Lavieille Carrière Toulmouche and Tissot

Art International, 1965 **Hersilia's Sisters** Norman Bryson, 2023-07-25 Political and cultural history and the arts combine in this engaging account of 1790s France In 1799 when the French artist Jacques Louis David 1748 1825 exhibited his *Intervention of the Sabines* a history painting featuring the ancient heroine Hersilia he added portraits of two contemporary women on either side of her Henriette de Verninac daughter of Charles François Delacroix minister of foreign affairs and Juliette Rcamier a well known and admired socialite Drawing on many disciplines Norman Bryson explains how such a combination of paintings could reveal the underlying nature of the Directoire the period between the vicious and near dictatorial Reign of Terror 1793 94 and the coup in 1799 that brought Napoleon to power Hersilia's Sisters illuminates ways that cultural life and civil society were rebuilt during these years through an extraordinary efflorescence of women pioneers in every cultural domain literature the stage opera moral philosophy political theory painting popular journalism and fashion Through a close examination of David's work between *The Intervention of the Sabines* begun in 1796 and *Bonaparte Crossing the Alps* begun in 1800 Bryson explores how the flowering of women's culture under the Directoire became a decisive influence on David's art With more than 150 illustrations this book provides new and brilliant insight into this period that will captivate readers

Arts Digest, 1985 **Arts Magazine**, 1985 **Sargent and Paris** Stephanie L. Herdrich, 2025-04-21 In 1874 eighteen year old American artist John Singer Sargent went to Paris to become a painter Ten years later he would become an art world sensation when he sparked controversy with his scandalous portrait *Madame X* at

the 1884 Salon Sargent and Paris focuses on this decisive early decade in the artist's career when he first achieved recognition for ambitious portraits and bold canvases that pushed the boundaries of convention Eight incisive essays by the world's foremost Sargent scholars explore his life in Paris then the epicenter of the cultural world and the cosmopolitan circle of artists writers and cultivated patrons that nurtured his career and helped forge his artistic identity Authors highlight the painter's connections to giants of the Parisian art scene as well as the influential patrons who were key to Sargent's progression as an artist Presented alongside lavish images of more than a hundred paintings and works on paper brought together from public and private collections throughout the United States and Europe this publication offers an intimate look at the roots of Sargent's signature breathtaking style and his indelible experiences as a young artist in the French capital

Art Index Retrospective ,1995 *New Literature on Women* ,1999 Surrealism and the Spanish Civil War Robin Adèle Greeley,2006-01-01 La obra es una nueva aproximación al tema de la respuesta de los artistas ante la guerra articulando la relación entre el esfuerzo artístico y la política durante periodos de crisis social Se analiza la amplia respuesta que la Guerra Civil Española provocó en el trabajo de Mir Dal Caballero Masson y Picasso investigando los esfuerzos del surrealismo por establecer un puente entre el pensamiento y el acto político **Documentation Sur la Recherche Féministe** ,1984

Arbibliographies Modern ,2005 *Bibliographie D'histoire de L'art* ,1996 Arts & Humanities Citation Index ,1996
Qui Parle ,1991 **Vanguard** ,1984
