Sexual Healing:

Safe Sexual Healing Sunyata Satchitananda, 2019-09-06 Sexual healing has been a clandestine alternative healing modality in the shadows of public awareness. This guidebook seeks to bring sexual healing out of the shadows and inform both healers and those seeking healing about how to conduct sexual healing sessions safely. Safe Sexual Healing goes behind the scenes and reveals how sexual healing works and shares key principles and essential practices needed to provide safety for both clients and healers. It provides essential information to sexual trauma survivors on how to pick a sexual healer and what to expect in sexual healing sessions. Healers gain important insight into the healer-client relationship and learn what to watch out for during sessions to prevent harming their clients. *The Sexual Healing Journey* Wendy Maltz, 2012-06-12 Men and women who have despaired that their sex lives would never change will find hope and answers in this friendly, encouraging, and essential guide.
