Shad Sentell:

John William Corrington Mills, William, 1994 *Isn't Justice Always Unfair?* J. Kenneth Van Dover, John F. Jebb, 1996
Isn't Justice Always Unfair explores the uncommonly long and uncommonly rich relationship between the fictional detective and his or her South. It begins with the New Orleans expatriate Legrand uncovering Captain Kidd's treasure on an island off Charleston, South Carolina; it covers the satires and parodies of Mark Twain and the polished stories of Melville, Davisson Post and Irvin, S. Cobb; and it concludes with surveys of the many good and excellent writers who are using the form of the detective story to compose inquiries into the character of life in the South today. At the center of *Isn't Justice Always Unfair* lies an analysis of a most remarkable phenomenon: William Faulkner's exploitation of the genre as an avenue into his postage stamp of Southern experience. Yoknapatawpha County *The Legal Studies Forum*, 2002 **The Long Haul** William Parrill, 1994-06-07 This book is a collection of conversations with important contemporary Southern novelists and with Lewis P. Simpson, longtime co-editor of *The Southern Review* and an established authority on Southern literature. The two long conversations with Professor Simpson place the post-World War II Southern novel in the context of modern literature and of the classical Southern novel. Professor Simpson, who knew many of the giants of Southern literature, assesses the writers of the past and the possibilities of the future. The volume includes conversations with Ernest Gaines, Madison Jones, Shirley Ann Grau, David Madden, the late John William Corrington, James Wilcox, and Vance Bourjaily. A chapter by the editor about his relationship with the late Walker Percy concludes the volume. Co-published with Southeastern Louisiana State University
Shad Sentell John William Corrington, 1984 *Contemporary Fiction Writers of the South* Joseph M. Flora, Robert Bain, 1993-08-23 The extraordinary flowering of Southern literary talent in the early twentieth century, the Southern Literary Renaissance, has continued virtually unabated, showing increasing vitality in recent decades. These newer fiction writers, poets, dramatists, and journalists reflect in their work the changing social conditions of the South while also presenting traditional Southern values and qualities. Their astonishing output constitutes a phenomenon worthy of being called a Second Southern Literary Renaissance. Joseph M. Flora and Robert Bain, editors of the acclaimed *Fifty Southern Writers before 1900* and *Fifty Southern Writers after 1900*, found that they could only begin to suggest the continuing abundance and significance of Southern writing in the latter volume. Retaining the same format, they have developed two new volumes for the contemporary period. The first, focusing on fiction, comprises forty-nine talented novelists, including such popular figures as Pat Conroy, Gail Godwin, T. R. Pearson, Anne Tyler, and Alice Walker. The companion volume, *Contemporary Poets, Dramatists, Essayists, and Novelists*, a Bio-Bibliographical Sourcebook forthcoming from Greenwood Press, will cover primarily poets, playwrights, and essayists as well as fiction writers who have made major contributions to these other genres. The essays, written by scholars and critics, present in each case a biographical sketch, an analysis of the writer's style and major themes, an assessment of reviews and scholarship, a chronological list of works, and a bibliography of selected criticism. Considered individually and

comparatively and with attention to the editors introductory essay these bio bibliographical studies clearly demonstrate the state and strength of Southern letters

Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject
