Lucretia Mott

Selected Letters Of Lucretia Coffin Mott:

Selected Letters of Lucretia Coffin Mott Lucretia Mott, 2002 This landmark volume makes widely available for the first time the correspondence of the Quaker activist Lucretia Coffin Mott. Scrupulously reproduced and annotated, these letters illustrate the length and breadth of her public life as a leading reformer while providing an intimate glimpse of her family life. Dedicated to reform of almost every kind: temperance, peace, equal rights, woman suffrage, nonresistance, and the abolition of slavery, Mott viewed woman's rights as only one element of a broad-based reform agenda for American society. A founder and leader of many antislavery organizations, including the racially integrated American Antislavery Society and the Philadelphia Female Anti-Slavery Society, she housed fugitive slaves, maintained lifelong friendships with such African American colleagues as Harriet Tubman and Sojourner Truth, and agitated to bring her fellow Quakers into consensus on taking a stand against slavery. Mott was a seasoned activist by 1848 when she helped to organize the Seneca Falls Woman's Rights Convention, whose resolutions called for equal treatment of women in all arenas. Mott tried to pursue a neutral course when her friends Elizabeth Cady Stanton and Susan B. Anthony disagreed with other woman's rights leaders over the Fifteenth Amendment, which guaranteed equal rights for freedmen but not for any women. Her private views on this breach within the woman's movement emerge for the first time in these letters. An active public life, however, is only half the story of this dedicated and energetic woman. Mott and her husband, of fifty-six years, James, raised five children to adulthood, and her letters to other reformers and fellow Quakers are interspersed with the informal, hurried scraps she wrote to and about her cherished family. An invaluable resource on an extraordinary woman, these selected letters reveal the incisive mind, clear sense of mission, and level-headed personality that made Lucretia Coffin Mott a natural leader and a major force in nineteenth-century American life.

Seneca Falls and the Origins of the Women's Rights Movement Sally McMillen, 2009-09-08 In a quiet town of Seneca Falls, New York, over the course of two days in July 1848, a small group of women and men led by Elizabeth Cady Stanton and Lucretia Mott held a convention that would launch the woman's rights movement and change the course of history. The implications of that remarkable convention would be felt around the world and indeed are still being felt today. In *Seneca Falls and the Origins of the Woman's Rights Movement*, the latest contribution to Oxford's acclaimed *Pivotal Moments in American History* series, Sally McMillen unpacks for the first time the full significance of that revolutionary convention and the enormous changes it produced. The book covers 50 years of women's activism from 1840-1890, focusing on four extraordinary figures: Lucretia Mott, Elizabeth Cady Stanton, Lucy Stone, and Susan B. Anthony. McMillen tells the stories of their lives, how they came to take up the cause of women's rights, the astonishing advances they made during their lifetimes, and the lasting and transformative effects of the work they did. At the convention, they asserted full equality with men, argued for greater legal rights, greater professional and education opportunities, and the right to vote—ideas considered wildly radical at the time. Indeed, looking back at the convention two years later, Anthony called it the grandest and greatest reform of all.

time and destined to be thus regarded by the future historian In this lively and warmly written study Sally McMillen may well be the future historian Anthony was hoping to find A vibrant portrait of a major turning point in American women s history and in human history this book is essential reading for anyone wishing to fully understand the origins of the woman s rights movement

A Very Dangerous Woman Sherry H. Penney,James D. Livingston,2004 A very dangerous woman is what Martha Coffin Wright s conservative neighbors considered her because of her work in the women s rights and abolition movements In 1848 Wright and her older sister Lucretia Mott were among the five brave women who organized the historic Seneca Falls Women s Rights Convention Wright remained a prominent figure in the women s movement until her death in 1875 at age sixty eight when she was president of the National Woman Suffrage Association At age twenty six she attended the 1833 founding of the

American Anti Slavery Society and later presided over numerous antislavery meetings including two in 1861 that were disrupted by angry antiabolitionist mobs Active in the Underground Railroad she sheltered fugitive slaves and was a close friend and supporter of Harriet Tubman In telling Wright s story the authors make good use of her lively letters to her family friends and colleagues including Susan B Anthony and Elizabeth Cady Stanton These letters reveal Wright s engaging wit and offer an insider s view of nineteenth century reform and family life Her correspondence with slaveholding relatives in the South grew increasingly contentious with the approach of the Civil War One nephew became a hero of the Confederacy with his exploits at the Battle of Fredericksburg and her son in the Union artillery was seriously wounded at Gettysburg while repelling Pickett s Charge Wright s life never lacked for drama She survived a shipwreck spent time at a frontier fort experienced the trauma of the deaths of a fianc her first husband and three of her seven children and navigated intense conflicts within the women s rights and abolition movements Throughout her tumultuous career she drew on a reservoir of humor to promote her ideas and overcome the many challenges she faced This accessible biography written with the general reader in mind does justice to her remarkable life
