Selected Works Of Govind Ballabh Pant Vol 3:

Selected Works of Govind Ballabh Pant Govind Ballabh Pant, Bal Ram Nanda, 1993 Volume 9 coincides with the eventful period January 1939 to August 1942 that saw the passage of the Quit India resolution An Environmental History of Postcolonial North India Eric A. Strahorn, 2009 The ecology of the Tarai The production of exoticism G B Pant and the U P government Realizing the ideal Outside the official paradigm The changing Tarai landscape Roads to Freedom Mushirul Hasan, 2016-06-30 In its most brutal form the prison in British India was an instrument of the colonial state for instilling fear and dealing with resistance Exploring the lived experience of select political prisoners this volume presents their struggles and situates them against the backdrop of the freedom movement From Mohamed Ali Maulana Abdul Kalam Azad the Nehru family and Gandhi to communists like M N Roy we get a vivid glimpse of their lives within the confines of the prison in a narrative that is at times deeply personal and yet political The struggles of some remarkable women of the time are also brought to the fore be it the feisty doctor Rashid Jahan Aruna Ali Vijaya Lakshmi Pandit or Sarojini Naidu Extensively researched the volume draws upon the records at the National Archives of India private papers creative writings of the prisoners newspapers memoirs biographies and autobiographies The volume also brings to light the differences between Indian and European prisons during the colonial period and the conception of criminal classes in the colony Capturing the sharp pangs of loneliness the poetry born out of solitude and the burning desire for independence Roads to Freedom breathes new life into accounts and tales long forgotten *Indian Books in Print*, 2003 Constitutional Democracy in India Bidyut Chakrabarty, 2018-01-12 Constitutional democracy is both a structure of governance and a way of providing an ideological perspective on governance The 1950 Constitution of India established constitutional democracy in India and the narrative of the rise and consolidation of constitutional democracy in India cannot be understood without comprehending the politico ideological processes that consolidated simultaneously both colonialism and constitutional liberalism This book examines the processes leading to constitutionalizing India and challenges the conventional idea that the Constitution of India is a borrowed doctrine A careful study of the processes reveals that the 1950 Constitution was the culmination of an ideational battle that had begun with the consolidation of the British Enlightenment philosophy in the early days of British paramountcy in India The book therefore argues that constitutionalizing endeavour in India had a clear imprint of ideas which had its root in this philosophy The study reveals a striking continuity of the same kind of ideological sentiments when the nationalists devised their own constitutionalizing design visible in the 1928 Motilal Nehru report and which reappeared in the 1945 Sapru Committee report Deviating from the conventional study of constitutional evolution of a polity which is generally legalistic this book explores the processes since the beginning of colonial rule in India which led to the conceptualization of constitutional democracy in a milieu engaging with arguments formulated by James and JS Mill A detailed analysis of the roots of constitutional and political liberalism in India this book sheds light on the material

surrounding India's constitutional development. It will be of interest to scholars in the field of Indian Political Theory, South Asian Politics and History. Forthcoming Books Rose Army, 1999-08 Legends in Gandhian Social Activism: Mira Behn and Sarala Behn Bidisha Mallik, 2022-06-15. This book is about Madeleine Slade 1892-1982 and Catherine Mary Heilemann 1901-1982, two English associates of Mohandas K. Mahatma Gandhi 1869-1948, known in India as Mira Behn and Sarala Behn. The odysseys of these women present a counternarrative to the forces of imperialism, colonialism, capitalism, and globalized development. The book examines their extraordinary journey to India to work with Gandhi and their roles in India's independence movement, their spiritual strivings, their independent work in the Himalayas, and most importantly, their contribution to the evolution of Gandhian philosophy of socio-economic reconstruction and environmental conservation in the present Indian state of Uttarakhand. The author shows that these women developed ideas and practices that drew from an extensive intellectual terrain that cannot be limited to Gandhi's work. She delineates directions in which Gandhian thought and experiments in rural development work and visions of a new society evolved through the lives, activism, and written contributions of these two women. Their thought and practice generated a new cultural consciousness on sustainability that had a key influence in environmental debates in India and beyond and were responsible for two of the most important environmental movements of India and the world: the Chipko Movement or the movement against commercial green felling of trees by hugging them, and the protest against the Tehri high dam on the Bhagirathi River. To this day, their teachings and philosophies constitute a useful and significant contribution to the search for and implementation of global ideas of ecological conservation and human development.

Vijaya Lakshmi Pandit Manu Bhagavan, 2023-12-22. Vijaya Lakshmi Pandit, the most remarkable woman Eleanor Roosevelt had ever met, was a pioneering politician and diplomat celebrated internationally for her brilliance, charm, and glamour. Marlon Brando called her the woman he admired most in the world, while ordinary American men gave up watching football to come hear her speak. Pandit's life straddled the twentieth century; her own story intertwined with that of the modern world. She was India's first woman cabinet minister, first ambassador to the United Nations, and first ambassador to the Soviet Union. She was also the first woman elected President of the U.N. General Assembly. And yet, her influence extended well beyond these formal roles. She grew to be one of the most influential international voices of peace, while also paving the way for women across the world in many fields. Madame Pandit, as she was widely known, moved easily in global aristocratic circles, even as she worked tirelessly to improve the lives of suffering millions. She traded barbs and quips with Winston Churchill, outdebated Jan Smuts, and garnered more attention than James Cagney. She was arrested for the attempted assassination of Benito Mussolini and later told John F. Kennedy not to go to Dallas. At the end of her career, she came out of retirement to battle her own niece, Indira Gandhi, in an epic clash of democracy vs. authoritarianism. Based on eight years of research and using material in five languages from seven countries and over forty archives, Manu Bhagavan has written the definitive biography of Vijaya Lakshmi Pandit. *The Collected*

Gandhi M. J. Akbar,2023-11-18 Mohandas Karamchand Gandhi justly venerated as a Mahatma dismantled the mightiest empire in world history through the inspirational power of three pivotal mass campaigns across two decades In 1920 Gandhi liberated Indians from fear through the unprecedented mass mobilization of the non cooperation movement In 1930 he turned a pinch of salt into a metaphor for the punitive heartless colonial exploitation of the impoverished The 1942 call to Quit India sent a final unambiguous message to foreign overlords Indians would prefer to die rather than live in British fetters Once Gandhi had unchained India history could no longer remain dormant Akbar draws on historical archives and contemporary narratives to vividly depict the mass ferment and individual protest that swept across the subcontinent The combination of meticulous scholarship with riveting storytelling make Gandhi in Three Campaigns an unmissable fresh portrait of an icon and a time The Collected Works of Mahatma Gandhi: 17 June, 1925 - 24 September, 1925 Mahatma Gandhi,2000
