Selections from Les Amours Jaunes Tristan Corbière, 2003-01-01 [Selections from Les Amours Jaunes](#) Edouard Joachim Corbière, 1954 [The Varieties of Metaphysical Poetry](#) T. S. Eliot, 2018-06-01 The famed series of Trinity College and Johns Hopkins lectures in which the Nobel Prize winner explored history poetry and philosophy While a student at Harvard in the early years of the twentieth century T S Eliot immersed himself in the verse of Dante Donne and the nineteenth century French poet Jules Laforgue His study of the relation of thought and feeling in these poets led Eliot as a poet and critic living in London to formulate an original theory of the poetry generally termed metaphysical philosophical and intellectual poetry that revels in startlingly unconventional imagery Eliot came to perceive a gradual disintegration of the intellect following three metaphysical moments of European civilization the thirteenth seventeenth and nineteenth centuries The theory is at once a provocative prism through which to view Western intellectual and literary history and an exceptional insight into Eliot s own intellectual development This annotated edition includes the eight Clark Lectures on metaphysical poetry that Eliot delivered at Trinity College in Cambridge in 1926 and their revision and extension for his three Turnbull Lectures at Johns Hopkins University in Baltimore in 1933 They reveal in great depth the historical currents of poetry and philosophy that shaped Eliot s own metaphysical moment in the twentieth century

French Symbolist Poetry, 50th Anniversary Edition, Bilingual Edition , 2007-12-17 Whether viewed as an influence or in and for themselves the Symbolists are a tantalizing group Paralleling similar movements in art and music their intensely personal poetry leans more heavily on oblique suggestions and evocation than on overt statement It sets its perceptions intuitive and nonrational squarely against intellectual and scientific thinking and this with a music that is flexible intrepid and subtle sometimes even dissonant and jazzy But the poetry itself is the movement s best definition Here with bilingual text en face an introduction and illuminating notes are some forty carefully selected poems of that movement They range from the remote

beginnings in Nerval and Baudelaire through the humor and irony of Corbi re and Laforgue to the technical brilliance of Val ry who died as recently as 1945 For those who wish an overall view of the movement this is a generous sampling **Tristan Corbière** Jean-Luc Steinmetz, 2011-05-18 Depuis Verlaine quelques po tes ont eu le redoutable privil ge d tre appel s maudits Mallarm Rimbaud Corbi re se sont vus d cerner un pareil titre Les deux premiers ont hardiment franchi la barre de cette mal diction impos e Tristan Corbi re quant lui n a pas eu la m me chance Laiss pour compte malgr son unique et admirable recueil des Amours Jaunes qu il appelait son monstre de livre il attend encore pour sortir de l ombre malgr la renomm e de son uvre dans les pays de langue anglaise et italienne Une seule biographie le concernant celle de Ren Martineau publi e en 1905 et r dit e augment e en 1925 a tent de recomposer les phases mal connues de son existence Nul depuis n a tent de lui donner plus de r alit Et de fait que dire d un homme n en 1845 dont ne restent que quatre lettres pour conna tre un peu les douze derni res ann es de sa vie C est pourtant ce qui fut tent avec ce Tristan Corbi re du XXI me si cle qui combinant documents manuscrits peintures et photographies affiliant les intuitions poursuivant des voies inusit es ou m connues tirant le fil des po mes et recr ant les voyages en est venu prendre l importance que l on voit tout en d crivant la plus surprenante d couverte trente pages in dites dessins gouaches vers et proses de l album Louis Noir Voici donc un Corbi re autant parisien que breton autant fils papa que boh me de chic autant peintre que po te un autre d cid ment pourvu de cette vie peu pr s dont il n a jamais cach qu il la voulait ainsi style plus que contenu cabotage cabotinage et grand large Ouvrage publi avec le concours du Centre national du livre *Selections from Les Amours Jaunes. Breton, 2021-01-29 This is the first publication in English of the anthology that contains Breton s definitive statement on l humour noir one of the seminal concepts of Surrealism and his provocative assessments of the writers he most admired While some of the authors featured in The Anthology of Black Humor are already well known to American readers Swift Kafka Rimbaud Poe Lewis Carroll and Baudelaire among them and even then Breton s selections are often surprising many others are sure to come as a revelation The entries range from the acerbic aphorisms of Swift Lichtenberg and Duchamp to the theatrical slapstick of Christian Dietrich Grabbe from the wry missives of Rimbaud and Jacques Vache to the manic paranoia of Dali from the ferocious iconoclasm of Alfred Jarry and Arthur Craven to the offhand hilarity of Apollinaire at his most spontaneous For each of the forty five authors included Breton has provided an enlightening biographical and critical preface situating both the writer and the work in the context of black humor a partly macabre partly ironic and often absurd turn of spirit that Breton defined as a superior revolt of the mind Anthologies can aim to be groundbreaking or thought provoking few can be said to have introduced a new phrase or a new concept into the language No one had ever used the term black humour before this one came along unless perhaps it was from a racial angle The Guardian Andre Breton 1896
