# Self-Help IN THE 1890s Depression

BY ROGER GRANT

"Grant's vivid examples of Americans will help us see how they got on (and, sometimes, broke) during the nation's darkest hour, with various illustrations and the occasional note or useful gloss. The original and highly relevant study ought to be read widely."

—Walter Dignam  
Professor of History  
Indiana University

# Self Help In The 1890s Depression

**LM Reder**

## **Self Help In The 1890s Depression:**

**Self-help in the 1890s Depression** H. Roger Grant,1983      **Self-help in the 1890s Depression** H. Roger Grant,1983      **The ^APopulist Vision** Charles Postel,2007-05-29 The Populist Visionn offers an innovative reevaluation It offers that the Populists were modern people rejecting the notion that Populism opposed modernity and progress Looking at Populism as a national movement Postel focuses on farmers but also wage earners and bohemian urbanites He examines topics from technology business and women s rights to government race and religion      **The Good Country** Jon K. Lauck,2022-11-21 At the center of American history is a hole a gap where some scholars indifference or disdain has too long stood in for the true story of the American Midwest A first ever chronicle of the Midwest s formative century The Good Country restores this American heartland to its central place in the nation s history Jon K Lauck the premier historian of the region puts midwestern squares center stage an unorthodox approach that leads to surprising conclusions The American Midwest in Lauck s cogent account was the most democratically advanced place in the world during the nineteenth century The Good Country describes a rich civic culture that prized education literature libraries and the arts developed a stable social order grounded in Victorian norms republican virtue and Christian teachings and generally put democratic ideals into practice to a greater extent than any nation to date The outbreak of the Civil War and the fight against the slaveholding South only deepened the Midwest s dedication to advancing a democratic culture and solidified its regional identity The good country was of course not the perfect country and Lauck devotes a chapter to the question of race in the Midwest finding early examples of overt racism but also discovering a steady march toward racial progress He also finds many instances of modest reforms enacted through the democratic process and designed to address particular social problems as well as significant advances for women who were active in civic affairs and took advantage of the Midwest s openness to women in higher education Lauck reaches his conclusions through a measured analysis that weighs historical achievements and injustices rejects the acrimonious tones of the culture wars and seeks a new historical discourse grounded in fair readings of the American past In a trying time of contested politics and culture his book locates a middle ground fittingly in the center of the country      *Patricians, Professors, and Public Schools* Allan S. Horlick,1994-04-01 *Patricians Professors and Public Schools* argues that the thinking behind efforts to reform American schools in the late nineteenth and early twentieth centuries emphasized two new ideas that economic growth and the opportunity it created were more limited than had earlier been thought and that popular aspirations should be revised downward accordingly After discussing the thinking that reformers reacted against in the first chapter of the book later chapters examine those most responsible for these new ideas especially Felix Adler and John Dewey These chapters argue that reformers fears about the social dislocation stemming from economic growth makes the most sense of the educational redirection they promoted This is a new interpretation of developments that have long been debated by American historians and should be of interest to a wide variety of readers

Populism in the Western United States, 1890-1900 David B. Griffiths, 1992 This is a political history of the major third party movement in the nine states of the Mountain West and Pacific Coast USA The detailed and heavily documented narrative is based on letter collections and other documents and synthesizes all secondary materials It treats interpretative and thematic questions and the historiography of the Populist movement

**Continuity and Change in Electoral Politics, 1893-1928** Paul Kleppner, 1987-03-18 Kleppner's study represents an attempt to move beyond the older voting studies by questioning their underlying assumptions and analyzing the changes that occurred at the beginning of the twentieth century Rejecting the view that partisan identification is a nearly unchangeable psychological attachment he argues that twentieth century voters were more likely to respond to short term factors fluctuations in the economy charismatic candidates etc than their nineteenth century counterparts This reexamination of long held theories will provide new insight into assumptions about the links between cultural and ethnic values and party affiliation

*Bibliographie internationale des recensions de la littérature savante*, 1974 *Kansas History*, 2012 *Bibliographische Information*, 1982

**Always Say Yes** David Scott, 2014-10-01 I was 13 when I decided what I wanted to do in life was travel and have adventures be of some use to other people and have a family Life worked out pretty much as I hoped Born into middle class poverty in the 1920s David Scott was on course for a corporate career until his uncle Father Gerard Tucker invited him to become part of The Brotherhood of St Laurence Scott went on to become the director of the Brotherhood turning it into the most significant agency for social welfare in Australia He also formed Community Aid Abroad now Oxfam and played a leading role in galvanising support for the East Timorese people when Indonesia invaded Always Say Yes follows Scott's life and accomplishments and celebrates one of our giants of social policy

**The Cumulative Book Index**, 1982 A world list of books in the English language

**Investing for Middle America** K. Lipartito, C. Peters, 2001-09-14 In 1892 John Elliott Tappan a twenty four year old Minneapolis lawyer was worried how people saved their money Out of these concerns Investors Syndicate was born one of the first of a new type of financial institution designed to meet the savings needs of the average person Here is the story of this financial pioneer whose innovation has today grown into one of the nation's largest financial services companies American Express Financial Advisors The book draws on Tappan's diaries business correspondence and various family oral histories Tappan's life work and ideas chronicle the changes in spending and savings work and leisure the culture of politics and money that have given rise to our modern notions of consumer finance

**Annals of Iowa**, 1995 *Bibliographie der Staats- und Wirtschaftswissenschaften*, 1983 *Bibliographie der Wirtschaftswissenschaften*, 1984

**Congressional Populism and the Crisis of the 1890s** O. Gene Clanton, 1998 The Populist Party reacted to the anxiety that America was moving towards a new form of slavery after the Industrial Revolution with a stand against imperialism This study of the party reveals the personalities that shaped the movement

Choice, 1983 **Nebraska History** Addison Erwin Sheldon, James Lee Sellers, James C. Olson, 1983

**Proceedings of the 1991 and 1993 Biennial International Linear Parks**
