Selling The Australian Government Politics And Propaganda From Whitlam To Howard:

Judith Butler in Conversation Bronwyn Davies, 2013-10-31 How has Judith Butler's writing contributed to thought in the Social Sciences and the Humanities The participants in this project draw on various aspects of Butler's conceptual work and they question how it has opened up the possibilities of thought in areas of study as diverse as theatre studies education and narrative therapy In a format that demands careful listening and response the scholars in this book interact with Butler her writing and each other Within this dynamic space they take up Butler's body of work and carry it in new and exciting directions Their conversations and writing are in turn funny exciting surprising and moving **Politics, Media and**

Democracy in Australia Brian McNair, Terry Flew, Stephen Harrington, Adam Swift, 2017-02-10 In Australia as in many comparable democracies the role of the media in the political process is high on the public agenda There is a perception of widespread disillusionment with and disengagement from politics amongst voters and criticism of the media for failing to fulfil their democratic responsibilities adequately This book evaluates public perceptions of the performance of the political media in the context of the declared aims and objectives of media producers From there the authors present findings for improving the capacity of political media to engage and inform their audiences in ways which enhance the quality and popular legitimacy of the democratic process These conclusions are of import not only to Australians but to observers of mediated politics in the UK the US and other countries where similar debates around the crisis of public communication are on going **Pivot of Power** Paul Strangio, Paul 't Hart, James Walter, 2017-08-28 The prime ministership remains the main

prize in Australian politics but it is a precarious one Leadership turnover in recent years has seen more prime ministers rise and fall than at any time since the decade after federation What explains this volatility The Pivot of Power is the second volume in a unique blend of collective biography and institutional history that shows the skills limitations and passions of incumbents are only part of the story The ways in which prime ministers thrive and fail are influenced by the resources at their command the evolving nature of the parties they lead the daunting public expectations they face under a relentless media gaze and the challenges that history throws at them Recent changes in these areas have had a destabilising effect and made the role of prime minister more onerous than ever After decades of strong national leadership the office has rarely seemed quite so confounding as it does for its contemporary holders The Pivot of Power explains how this has come about And its rich account of prime ministerial fortune since the mid twentieth century yields historical lessons for overcoming the current malaise *Political Parties in Transition?* Ian Marsh, 2006 Australian politics have been dominated for nearly a

century by two more or less continuous political groupings Labor and the Liberal National Coalition But in recent decades Australians have embraced a new range of issues gender the environment indigenous rights while party membership has collapsed *Prime Ministers in Power* M. Bennister, 2012-03-20 A study of prime ministerial leadership in Britain and Australia Tony Blair and John Howard were election winning leaders in two similar countries They succeeded in dominating

politics for over 10 years but both fell dramatically from office This book asks how these prime ministers established such predominant positions **UNSW Press a History, 1962-2012** ,2012 **Dealing with America** J. V. Langmore,2005 The United Nations is under scrutiny like never before it is under constant attack from neoconservatives in President George W Bush s administration and many of its own officials are under investigation for fraud some have been charged In the midst of this controversy a high level panel including former Australian Attorney General Gareth Evans has released a detailed set of proposals for reform and that blueprint has been taken up by the Secretary General Kofi Annan **TV Futures** Andrew T. Kenyon,2007-01-01 TV Futures Digital Television Policy in Australia brings together leading writers from both law and media studies to examine the implications of the shift to digital television for the platforms and audiences copyright law and media regulation The book combines writers with expertise in media law and copyright law with those skilled in media policy and social and cultural research Through its scope and topicality the book substantially develops the literature on digital television to serve readers from across the fields of law the humanities and social sciences *Policy* ,2005 **Media & Politics** Wayne Errington,Narelle Miragliotta,2007 A comprehensive introduction to the politics of the Australian media this text examines the media s development and evolution as well as the key debates and controversies which have shaped the domestic media landscape in the last decade It provides a strong framework to understand the relationship between Australian media and politics **Far East and Australasia 2008** Europa Publications,Routledge Staff,2007-11-15 A systematic survey of all the countries of East Asia South East Asia Australia New Zealand and the Pacific Islands Essential for anyone with a professional interest in the region Keeps up to date with current economic and political developments Part One General Survey Written by acknowledged authorities on the Pacific Rim this collection of essays forms an impartial overview of the area as a whole Topics include regional security issues human rights environmental issues recent economic trends and USA s relations with the Asia Pacific region Country Surveys Individual chapters on each country containing articles on geography history and the economy an economic and demographic survey of the latest available statistics on population agriculture industry finance trade transport tourism and education a directory of names addresses and contact numbers covering the constitution government legislature judiciary political organizations diplomatic representation religion the media finance trade industry tourism defence and education a select bibliography Regional Information Includes all major international organizations active in the region their aims activities publications and principal personnel a detailed survey of major commodities in Asia and the Pacific a directory of research institutes specializing in the region select bibliographies of books and periodicals covering the Far East and Australasia and an index of regional organizations **Images, Colours and Reflections** ,2006 *Selling the Australian Government* Greg Barns,2005 The fact that governments spend millions of taxpayers dollars monitoring the Opposition s every word and pumping out propaganda to backbenchers to ensure its spin reverberates across Australia has rarely been questioned by the media Greg Barns a former

senior government adviser provides a revealing insight into the way governments sell themselves both publicly and behind the scenes and how their expensive propaganda effort affects the political process □□□□□□□□□□□□□□ 1□ ,2009 **APAIS, Australian Public Affairs Information Service** ,1983 Vol for 1963 includes section Current Australian serials a subject list *Instauration* ,1985 **The Howard Decade in Australian Government and Politics** ,2007 *A Certain Grandeur* Graham Freudenberg,1978 Previous ed South Melbourne Sun Books 1978 Includes index Exit Right Judith Brett,2007 In this definitive account Brett discusses how age became Howard s Achilles heel how he lost the youth vote how he lost Bennelong and how he waited too long to call the election She looks at the government s core failings the policy vacuum the blindness to climate change the disastrous misjudgment of WorkChoices and shows how Howard and his team came more and more to insulate themselves from reality With drama and insight Judith Brett traces the key moments when John Howard stared defeat in the face and explains why after the Keating Howard years the ascendancy of Kevin Rudd marks a new phase in the nation s political life It is when a leader s grip on political power starts to slip when his threats and bribes miss their mark when he starts to make uncharacteristic mistakes and when what had once been strengths reveal their limitations that we can see most clearly the inner workings of that leadership This essay is about John Howard s leadership seen through the prism of its failings Judith Brett Exit Right This issue contains correspondence relating to Reaction Time by Ian Lowe from Guy Pearse Robert Merkel Michael Angwin Christine Milne Mark Diesendorf and Ian Lowe **National Insecurity** Linda Weiss,Elizabeth Thurbon,John Mathews,2007-06-08 Delving deep into Australia s international relations this book looks at the government of Prime Minister Howard exposing his extreme attempt to court the United States as an ally and its dire effect on the nation s security future prosperity and cultural values Three expert academics examine trade deals on uranium agriculture and defense showing how Australia is being undermined by its own leaders They also offer a compelling explanation of this pattern of betrayal
