Sextet Ts Eliot Truman Capote Others:

Sextet John Malcolm Brinnin, 1981 This sextet of reminiscences is based on a journal kept over a period of forty years A number of entries taken from it have been incorporated into the text more or less intact Others have remained where they were bits of information ephemeral as days preserved out of habit and serving to tell me little more than where I was what I did and whom I saw p v

Truman Capote Helen S. Garson, 1992 Like a ringmaster at the circus Truman Capote led us from one dazzling act to another in the entertainment that is the twentieth century written word Short stories novels novellas plays film scripts and journalistic pieces dance in turn across the center stage of Capote's imagination bringing to our view such masterpieces as *Other Voices Other Rooms* 1948 and *In Cold Blood* 1966 Despite these successes Capote came closest to achieving performance perfection when he turned his attention to shorter works Full of vivid descriptions and colorful characters these stories give us front row seats to the attraction of Capote as both a writer and a human being Capote originally Truman Streckfus Persons was born in New Orleans in 1924 the product of a very unstable marriage Often neglected the young boy spent a lot of time with relatives mostly in Alabama When his mother divorced his father to marry a more successful businessman Truman moved north with the couple and took his stepfather's surname The Capotes lived in Greenwich and New York where Truman would make his permanent base and where he would start stitching together the disparate threads of his unsettling childhood and make of them a grand tapestry revealing the frustration of life in contemporary America These connections between fact and fiction are carefully analyzed by Helen S Carson as are the links between the short fiction and Capote's longer works She has provided the reader with a comprehensive yet very readable study of one of Capote's more neglected genres

The Poetry Circuit Peter B. Howarth, 2024-09-17 Live performance has changed poetry more than anything else in the last hundred years it has given poets new audiences and a new economy and it has generated new styles from Imagism to confessional to contemporary Spoken Word But the creative impact that public reading had right through the twentieth century has not been well understood Mixing close listening to archive performances with intimate histories of modernist venues and promoters The Poetry Circuit tells the story of how poets met their audience again and how the feedback loops between their voices the venues and the occasions turned poems into running dramas between poet and listener A nervous T S Eliot reveals himself to be anything but impersonal while Marianne Moore's accident prone readings become subtle ways of keeping her poems in constant re draft Robert Frost used his poems to spar with his fans and rivals while Langston Hughes wrote Ask Your Mama to expose the prejudice circulating in the room as he spoke it The Poetry Circuit also shows how the post war reading boom made new kinds of poetry involving their audience and setting in the performance such as

John Ashbery's anti-charismatic Poets Theatre Amiri Baraka's documentary soundtracks of the streets or the confessional readings of Allen Ginsberg which shame the listeners more than the poet. Covering the first seventy years of the poetry reading The Poetry Circuit demonstrates that there never were page and stage poets; the reading simply changed what every modern poet could do.

Sextett John Malcolm Brinnin, 1981 T.S. Eliot and the Heritage of Africa Robert F. Fleissner, 1992 The Magus and the Moor explores Eliot's debt to black culture and its origins stemming from his St Louis background; the anthropological studies made while he was a student at Harvard and his noted artistic debt to Othello. Robert Fleissner uses these origins as a starting point weaving in considerations of archetypal elements to create this fascinating study of one of the twentieth century's greatest writers.
