Shadow Over My Brain:

Shadow Over My Brain Cecil Todes,1990 Written by a psychiatrist and analyst who has a personal 20 year history with Parkinson s disease Dr Todes documents his attempts to understand the disease and control the effects through a variety of conventional and more heroic treatments including L dopa and even foetal brain implant surgery Always on My Mind Susan May Warren,2014-12-18 After a failed dig in Honduras aspiring archaeologist Casper Christiansen heads home to Minnesota to face his unresolved feelings for Raina Beaumont the woman of his dreams But when he arrives unannounced on her doorstep he receives the shock of a lifetime Raina is pregnant with someone else s baby Heartbroken especially when he discovers the identity of the baby s father Casper tables his dreams and determines to be dependable for once helping his older brother Darek prepare the family resort for its grand reopening Casper longs to be the hero of at least one family story but a never ending Deep Haven winter and costly repairs threaten their efforts and the future of the resort Worse one of Casper s new jobs constantly brings him into contact with Raina whom he can t seem to forget A tentative friendship begins to heal fresh wounds but can they possibly overcome past mistakes and current choices to discover a future together

Internet Obsessions "Read My Mind" Frances Vassi,2000-12 Birthmark is born out of the life experiences of those who worship the LORD in spirit and in truth holding fast to His doctrine and manner of life So often we look for revelation of the Holy Scriptures to come from the pages of the Bible or the sermon lips of a preacher However I have found that true revelation is the life that exemplifies the very heart of Christ Revelation as Jesus tells us in Matthew 16 17 is walking hearing seeing and speaking those things that The Father has spoken into our spirit Those that seek The Father diligently are the ones whom He trusts with revelation How is it that we have been entrusted with things that the angels desire to understand to bear the mark of His impressionable power and majesty in these vessels of clay It must be so that somewhere in the fight someone can gaze upon the ramparts of one s life and see the evidence of Christ in us the hope of glory It must be that the war cries battle wounds and tests produce testimonies trust and trophies that reach beyond the pain of battle and into the victory of the cross
