Our Lorde and Saviour M. Bartholomew, 2025-09-04 From the sonically sparse Pure Heroine to the epic pop euphoria of Melodrama and from the sunny optimism of Solar Power to the raw primal energy of Virgin Lorde has been crafting music that defines the moment for over a decade Now in the year of Lorde Summer and her World Tour dive into each album track by track alongside the songwriting process production music videos and fashion of the woman David Bowie considered to be the future of music FULLY UP TO DATE WITH A CHAPTER ON THE 2025 ALBUM VIRGIN Performing Female Blackness Naila Keleta-Mae, 2023-06-20 Performing Female Blackness examines race gender and nation in Black life using critical race feminist and performance studies methodologies This book examines what private and public performances of female blackness reveal about race gender and nation and considers how the land widely known as Canada shapes these performances By exploring Black expressive culture in familial literary and performance settings Naila Keleta Mae theorizes that perpetual performance forces people who are read as female and Black to always be figuratively on stage regardless of cultural political or historical contexts Written in poetry prose and journal form and drawing from the author s own life and artistic works Performing Female Blackness is ideal not only for scholars educators and students of the humanities social sciences and fine arts but also for artists and the general public too Relating Worlds of Racism Philomena Essed, Karen

Farquharson, Kathryn Pillay, Elisa Joy White, 2018-08-20 This international edited collection examines how racism trajectories and manifestations in different locations relate and influence each other The book unmaskes and foregrounds the ways in which notions of European Whiteness have found form in a variety of global contexts that continue to sustain racism as an operational norm resulting in exclusion violence human rights violations isolation and limited full citizenship for individuals who are not racialised as White The chapters in this book specifically implicate European Whiteness whether attempting to reflect negate or obtain it in social structures that facilitate and normalise racism The authors interrogate the dehumanisation of Blackness arguing that dehumanisation enables the continuation of racism in White dominated societies As such the book explores instances of dehumanisation across different contexts highlighting that although the forms may be locally specific the outcomes are continually negative for those racialised as Black The volume is refreshingly extensive in its analyses of racism beyond Europe and the United States including contributions from Africa South America and Australia and illuminates previously unexplored manifestations of racism across the globe
