Football, Gambling, and Everyday Life in Zimbabwe Manase Kudzai Chiweshe, 2023-10-27 As unemployment soared in Zimbabwe in the early twenty first century betting on football soccer emerged as a popular if unsustainable livelihood option and the number of betting halls mushroomed This book investigates this growing social phenomenon providing a holistic analysis of football gambling in Zimbabwe and exposing its impact on the everyday lives of Zimbabweans Drawing on original empirical and theoretical analysis from across six different areas of Zimbabwe the book highlights the lived experiences of communities that are only beginning to grapple with the long term effects of addiction Explaining its historical origins in the colonial and immediate post colonial periods the authors delve into the motivations patterns practices and impacts of soccer betting Tackling issues such as gender livelihoods addiction religion and tradition related to soccer betting the book lays bare the general lack of policy frameworks and support services to protect vulnerable populations This book offers a rare glimpse into a sociological phenomenon sweeping across Zimbabwe with a particularly stark impact on the country s youth It will interest sports and African studies researchers as well as those focusing on the socio health problems related to gambling
