Lowe's: Creative Ideas for Outdoor Living Lowe's, 2003-03-01 The first in a series of books based on our popular magazine *Lowe's Creative Ideas For Your Home Garden* *Great Ideas in Retailing* Barry Berman, 2003-08 **The Agricultural Gazette and Modern Farming**, 1896 *Outlook* Alfred Emanuel Smith, Francis Walton, 1885 *The Christian Union*, 1885 **Book Reviews**, 1899 Marketing, 1985 **The Daily Crimson**, 1888 **Poultry Topics and Western Poultry News**, 1898 Mark Lane Express, 1896 **Becoming Agile** Ahmed Sidky, Greg Smith, 2009-04-30

Many books discuss Agile from a theoretical or academic perspective. *Becoming Agile* takes a different approach and focuses on explaining Agile from a case study perspective. Agile principles are discussed, explained, and then demonstrated in the context of a case study that flows throughout the book. The case study is based on a mixture of the author's real world experiences. *Becoming Agile* also focuses on the importance of adapting Agile principles to the realities of your environment. In the early days of Agile, there was a general belief that Agile had to be used in all phases of a project and that it had to be used in its purest form. Over the last few years, reputable Agile authorities have begun questioning this belief. We're finding that the best deployments of Agile are customized to the realities of a given company. *Becoming Agile* discusses the cultural realities of deploying Agile and how to deal with the needs of executives, managers, and the development team during migration. The author discusses employee motivation and establishing incentives that reward support of Agile techniques. Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book. Praise for *Becoming Agile*: This is much more than just a book about Agile. This is a roadmap. A very detailed roadmap that takes you from the initial "is Agile right for me?" stage through completion and delivery of your pilot project and beyond. Charlie Griefer, Senior Software Engineer, Amcom Technology, a must-read for those of us who have come from years of waterfall and attempts at changes to traditional methodologies or processes. Clear, concise, and has plenty of example scenarios that many individuals and corporations would identify with. Jamie Phillips, Senior Software Engineer, Picis Inc. This book is quite unique. It is written in a form of a 5-day training course. I am usually not a fan of such a writing style, but I think that *Becoming Agile* is an exception. It's about a software process and, as such, requires a lot of case studies, group exercises, or at least what a book format allows, and therefore the training course style is perfect to facilitate learning. Vladimir Pasman, Cococast.com. *Becoming Agile in an Imperfect World* offers a different and useful look at Agile methods, reminding us that becoming agile is more of a mindset adjustment than a process change. Sidky and Smith use a case study to share their insights and tools throughout the book, including the unique Sidky Agile Measurement Index (SAMI). Sanjiv Augustine, President, Lithespeed LLC, and author of *Managing Agile Projects*. The authors emphasize that the aim should be to create a customized agile development process that is tailored to the needs of the organisation. Instead of aiming for agile perfection, one should aim at reaching the right level of agility for one's organisation. Excellent advice. Kailash Awati, Eight to Late. The

book totally inspired me A lot of my readings on Agile from back in the day were very theoretical and high level at the same time But Becoming Agile helps take you to the next level by going beyond the theory and into the nitty gritty practicality of employing the Agile approach So it was very energizing having the game plan laid out in front of you as well as the hurdles you ll encounter and how to overcome them Tariq Ahmed author of Flex 3 in Action **Tobacco** ,1896 **The New York Times Review of Books** ,1969 **Country Home** ,2005 **The Feathered World** ,1924 American Legacy ,2005
 Ebony ,2005 **The Literary World** ,1875 Farmer's Advocate and Home Magazine ,1896 **The History of the Waverley Municipal District** Waverley (N.S.W. : Municipality). Council,1959 This book covers the history of Waverley from 1859 1959
