modern Western notion that life is always improving and advancing toward an ideal state It is a vital modern concept which underlies geographic explorations and scientific and technological inventions as well as the desire to harness nature in order to increase human beings ease and comfort With the advent of Western colonization and to the great detriment of the colonized the notion of progress began to perniciously and pervasively permeate across cultures This book details the impact of the notion of progress on the Nagas and their culture The interaction between the Nagas and the West beginning with British military conquest and followed by American missionary intrusion has resulted in the gradual demise of Naga culture It is almost a cliché to assert that since the colonial contact the long evolved Naga traditional values are being replaced by Western values Consequences are still being felt in the lack of sense of direction and confusion among the Nagas today Just like other Indigenous Peoples whose history is characterized by traumatic cultural turmoil because of colonial interference the Nagas have long been engaged in self shame self negation and self sabotage Götter und Mythen des indischen Subkontinents Heinz Bechert, 1984 Naga Identity Braj Bihari Kumar, Braja Bihārī Kumāra, 2005 **Indigenous**

Kanato Chophy, 2021-11-01 Through an ethnohistorical study of the Nagas a congeries of tribes inhabiting the Indo Myanmar frontier this book explores an unusually interesting region of India that is all too often seen as peripheral G Kanato Chophy provides a distinct vantage point for understanding the Nagas in relation to colonialism missionary encounters identity politics and cultural change all seamlessly woven around American Baptist mission history in

this region The book also analyses India's cacophonous postindependence democracy in order to delineate multifaceted issues multiculturalism and ethnicity based political movements Within the West episodic memories of the Great Awakening a significant landmark in the history of Protestantism have faded into archival records But among the Nagas of the Indo Myanmar highlands Baptist Christianity persists as the dominant religion influencing the daily lives of nearly three million people Focusing variously on evangelical faith missionary zeal ethnic identities political struggle and complex culture wars Christianity and Politics in Tribal India is an original and major study of how Protestant missions changed the history and destiny of a tribal community in one of the unlikeliest regions of South Asia

Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
