The Works of Allen Ginsberg, 1941-1994 Bill Morgan, 1995-02-28 Avant garde poet and popular culture icon Allen Ginsberg has been one of the world's most important writers for over 40 years. This comprehensive bibliography covering the years 1941 to 1994 was prepared with the cooperation of the poet himself. All books, periodicals, photographs, recordings, films, and miscellaneous appearances are listed here. Entries are grouped in chapters according to type of work, and each entry provides full descriptive bibliographic information. Allen Ginsberg is perhaps the most famous poet of our time, as well as one of our most prolific writers. His subjects range from Buddhist studies to drug research to gay rights to political issues of every description from Vietnam to censorship. Ginsberg gave the author access to personal files, and as a result, every appearance of Ginsberg's writings in the English language is noted. This bibliography is a comprehensive descriptive record of all of Ginsberg's works. The volume contains descriptive annotations of every book, pamphlet, and broadside by Ginsberg. It also contains complete descriptions of every contribution by Ginsberg to the works of others. In addition, all periodical contributions, recordings, films, and miscellaneous publications are listed. Due to Ginsberg's recent acceptance as a photographer of note, a special section identifies all of his published photographs. Entries are arranged in chapters according to the type of work to facilitate ease of use. As a result, this book presents a history of Ginsberg's works and traces the evolution of his writings over a period of publications and revisions. *Representative Men* John Clellon Holmes, 1988

**The Man with the Golden Arm** Nelson Algren, 2011-01-04 A novel of rare genius. *The Man with the Golden Arm* describes the dissolution of a card-dealing WWII veteran named Frankie Machine, caught in the act of slowly cutting his own heart into wafer-thin slices. For Frankie, a murder committed may be the least of his problems. The literary critic Malcolm Cowley called *The Man with the Golden Arm* Algren's defense of the individual, while Carl Sandburg wrote of its strange midnight dignity. A literary tour de force, here is a novel unlike any other one in which drug addiction, poverty, and human failure somehow suggest a defense of human dignity and a reason for hope. **Richard Wright** Kenneth Kinnamon, 2014-11-04 African American writer Richard Wright, 1908-1960, was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son*. By 1947, he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever, and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author, within years are some 8,320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics. *Nelson Algren* Richard F. Bales, 2024-11-01 This book addresses critical gaps in existing

biographies of Nelson Algren providing new perspectives on his writing style literary contributions professional colleagues and personal life especially his relationship with Simone de Beauvoir Although Beauvoir maintained a simultaneous relationship with philosopher Jean Paul Sartre the correspondence exchanged between Beauvoir Algren and Sartre as this book discusses sheds new light on her transatlantic love affair with Algren Moreover this work challenges the assertion that Algren s writing aligns seamlessly with the New Journalism style popularized by Tom Wolfe It investigates how Algren s literary legacy might have diverged had he embraced more of the principles associated with New Journalism
