*Traduction de "Requiem for a futurologist" de Wole Soyinka* Anne Dhuscher, 1988      **Die Interkulturalität afrikanischer Literatur** Karl-Heinz Stoll, 2003      **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson, 2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide      Requiem for a Futurologist Wole Soyinka, 1985      Die Toten als die Macht der Lebenden Joachim Fiebach, 1986      Long Dreams in Short Chapters Wumi Raji, 2009 This book is concerned with in the main the whole question of the transformation of the identities of the different peoples of postcolonial Africa Even so it is clear that the issues raised would resonate clearly in similar contexts in other parts of the world Long Dreams in Short Chapters is a remarkable achievement a brilliant and magisterial remapping of the African text in its literary cultural and political dimensions Author Wumi Raji s globalist and transnational sensitivities make this book an effortless unpacking of the complexities of the African literary process and it is a landmark contribution to African thought      **Mirrors of Our Playing** Thomas R. Whitaker, 1999 Examines the major paradigms that have influenced modern English speaking theater      **Der Schauspielführer: Das Schauspiel von 1984 bis 1986** Joseph Gregor, 1989      *Beyond Taboos* Boireau, 2017-10-03 This collection of essays covers the related areas of aesthetics and politics both in the field of theatre and in everyday life Each contributor seeks to illustrate how drama subverts the foundations of the accepted models of perception and how it mediates on its own conventions      **World Encyclopedia of Contemporary Theatre** Irving Brown (Consulting Bibliographer), Natasha Rappaport (Bibliographer), Don Rubin (General Editor), Rosabel Wang (Consulting Bibliographer), 2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world wide since 1945 plus an index to key names throughout the six volumes of the series      Soyinka Wole Soyinka, Martin Banham, Chuck Mike, Judith Greenwood, 2005      *African Literature and the Future* Gbemisola Adeoti, 2015-12-01 Many African countries achieved independence from their colonisers over five decades ago but the people and the continent largely remain mere spectators in the arena of their own dance The post independence states are supposed to be sovereign but the levers of economic and political powers still reside in the donor states Not in many fora is the complex reality that defines Africa more trenchantly articulated than in imaginative literature produced about and on the continent This is the crux of the essays collected in African Literature and the Future The book reflects on Africas past and present addressing anxieties about the future through the epistemological lens of literature The contributors peep ahead from a backward glance They dissect the trend and tenor of politics and their impact on the socio cultural and economic development of the continent as portrayed in imaginative writings over the years One salient feature of African literature is the close affinity between art and

politics in its polemics This is well established in all the six essays in the book as the authors stress the interconnections between literature and society in their textual analyses On the whole there is an overwhelming feeling of angst and pessimism but the authors perceive a glimmer of hope despite daunting odds under different conditions Thus they depict the plausible fate of Africa in the twenty first century as informed by its ancient and recent past gleaned from primary texts

Der Schauspielführer: Register zu band 1 bis 17 Joseph Gregor,1953      **The Writing of Wole Soyinka** Eldred D. Jones,1988 This is an authoritative study of Nobel Prize winning writer Wole Soyinka      *Comparative Literature and Foreign Languages in Africa Today* Tunde Okanlawon,1988      *Black American Literature Forum* ,1988 Provides image and full text online access to back issues Consult the online table of contents for specific holdings      **Soyinka as Director** Wole Soyinka,Chuck Mike,1986      **Verzeichnis der Nobelpreisträger, 1901-1987** Werner Martin,1988      *Unife Theatre in Requiem for a Futurologist* Wole Soyinka,1983      **Die Macht des Wortes** Manfred Loimeier,2006
