The Discipline for Pastoral Care Giving Larry VandeCreek, Arthur M. Lucas, 2014-01-02

Structure your ministry to start with patients needs hopes and resources and to be clear what difference your ministry can make Hospital chaplains value who they are and what they do as contributions to patients and families healing and well being And they are continually stretching to enhance their ministries Hospital administrators and other professionals on the care teams however often need help to grasp those same values in outcome oriented observable documentable changes for the better terms The Discipline for Pastoral Care Giving Foundations for Outcome Oriented Chaplaincy offers a powerful new paradigm for enhancing supportive effective spiritual care for patients and families as well as communicating substantive outcomes to leaders and clinicians alike This is all the more important in these times when every possible resource must be well used for the good of our patients and their families By evaluating the pastoral care you offer you can become more aware of the discrete skills you exercise in the assessment planning intervention and reflection process Such evaluation efforts highlight the discrete differences excellent spiritual care makes This can help you track contributions you are making in terms of the patient s healing and well being Having a sound replicable way to make the process more conscious also helps you

communicate your assessment strategies and contributions more clearly to other care team members Furthermore consistently using The Discipline over time will enable you to discover patterns of spiritual dynamics in how people live with different health care challenges in their lives These patterns translate into valuable insights as your care for others The process discussed in The Discipline for Pastoral Care Giving calls on the chaplain to identify the patient s spiritual needs hopes and resources construct a patient profile through identifying the individual s sense of the holy sense of meaning sense of hope and sense of community design the desired outcome s you hope your care will contribute for example a person who has suffered a spinal cord injury integrates the effects of their injury in their sense of identity and meaning a person living with cystic fibrosis healthfully grieves the loss of others in the CF community a patient disabled by the absence of her support community regains use of her personal resources for coping and self care develop and share a plan for the patient s spiritual care choose interventions which may range from facilitating a life review to compassionate confrontation to reading Scripture to active listening to arranging a family care conference measure outcomes identifying and communicating the difference your care has made in terms of the patient s healing and well being The Discipline for Pastoral Care Giving offers case studies personal experiences helpful figures and charts and suggestions for dealing with patients experiencing unique complex health care challenges including adults living with cystic fibrosis and violent victims of violence The wise advice and practical suggestions in this book will help you recognize and document the solid value of your hospital ministry Biblical Counsel ,1993 **Spiritual Care for Persons with Dementia** Larry Van De Creek,2015-12-22 Spiritual Care for Persons with Dementia explores spirituality in those with dementia to enrich our understanding of the neurological and psychological aspects of hope prayer and the power of belief You will discover how your ministry is vitally relevant to the clinical well being and quality of life of people with Alzheimer s disease Spiritual Care for Persons with Dementia provides you with a model spiritual care program for long term facilities that supplies you with ideas you can implement in your own ministry You will learn to avoid cognitive pastoral care method that can be hurtful to those suffering with dementia by using new approaches found in Spiritual Care for Persons with Dementia This book provides you with suggestions about how to spiritually care for people with dementia These important recommendations include understanding the value of pastoral contact when ministering to people with a loss of cognitive functions and memory discovering the Progressively Lowered Stress Threshold psychosocial model PLST that can make important contributions by enhancing the quality of life for people with dementia providing pastoral care using nonverbal methods to overcome the barriers of cognitive dysfunction exploring a client s cognitive and emotional reality on a daily basis to determine how to best interact with him or her gaining insight into how a thorough analysis of the illness and personal religious history can assist in planning religious activities that provide comfort and solace for people with dementia and their families Spiritual Care for Persons with Dementia describes religious theological and psychodynamic perspectives that will help you to offer better spiritual care for people with dementia Using

your newly acquired skills from Spiritual Care for Persons with Dementia you will be more effective when ministering to people with Alzheimer s Disease and to their families Ministry of Hospital Chaplains Marjorie A Lyon,2014-01-02

Evaluating the success of hospital chaplaincy has been a difficult task but finally an effective approach has been developed Ministry of Hospital Chaplains Patient Satisfaction presents the Patient Satisfaction Instrument for Pastoral Care PSI which measures the quality and character of spiritual care and can contribute to the establishment of professional norms To find out whether specific changes in pastoral practices lead to increased satisfaction among patients this test can be used periodically As you will see this allows managers and department heads to identify and monitor specific functions and areas in which improvement is needed Ministry of Hospital Chaplains will help you analyze the background variables that are associated with patient satisfaction the styles of pastoral care that are linked to better hospital outcomes and the usefulness of different pastoral activities In the end you will be able to use empirical evidence to demonstrate to hospital administrators that patients appreciate pastoral care and that chaplains are helping patients recuperate experience an easier time at the hospital and get home more quickly Besides discussing how to evaluate the effectiveness of chaplains this insightful book explores enacting continuous improvement efforts pastoral care characteristics that predict a patient s readiness to return home how attention to details can build protocols that respond to patients questionnaire responses from 2 000 discharged hospital patients in the U S and Canada why the need to evaluate the benefits of pastoral care exists the aspects of pastoral care most important to patientsChaplains in general and those in psychiatric hospitals hospital administrators managed care directors and seminary professors of pastoral care will be glad to know that a technique for evaluating pastoral services has finally arrived The guessing game is over Now you will know what your patients think of the services your hospital offers and you can measure alternative approaches to pastoral care delivery when discontent is registered **The**

Chaplain-Physician Relationship Larry Van De Creek,2014-01-14 Learn how to establish and maintain effective relationships with physicians with this authoritative new book Chaplains will discover a wealth of information and insight into the often strained chaplain physician relationship and will learn practical steps they can take to strengthen the ties between two very different professions Each chapter written by a chaplain with a history of successful collaboration with physicians features important examples of interdisciplinary cooperative effort in various settings including obstetrics geriatrics and outpatient cardiac rehabilitation centers Hospital chaplains especially those who wish to improve their relationships with physicians and hospital administrators will find this to be an invaluable book as will pastoral counselors not presently involved with hospitals who desire to work with physicians in health and illness settings Highlights of the book include an inside view of medical education and practice with a description of the dilemmas of medical practice which are very different from those in ministry A constructive look at doctor bashing in which many chaplains engage often unknowingly a description of pastoral care efforts in discrete patient care areas that involve close relationships to physicians with an emphasis on

friendship and informal contacts an overview of a program in which the chaplain's role is expanded to that of a behavioral medicine consultant **Parish Nurses, Health Care Chaplains, and Community Clergy** Larry VandeCreek, Sue F. Dromgoole Mooney, 2002 This unique book is the first to clarify the roles and interprofessional dynamics of these three professions and describe how they can best work together Here you will find theological perspectives on each profession practice models of collaborative programs spiritual and clinical pastoral education information for parish nurses new resources to aid your professional growth and much more Parish Nurses Health Care Chaplains and Community Clergy Navigating the Maze of Professional Relationships is a must for anyone in these vital professions *The Cumulative Book Index*, 1990 A world list of books in the English language **Journal of Religion and Health**, 1990 **Paperbound Books in Print 1995** Reed Reference Publishing, Reference Reed, 1995-12 **Subject Guide to Books in Print**, 1991

Index to Jewish Periodicals, 1990 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **Spiritual Needs & Pastoral Services** Larry VandeCreek, 2010-11-01 What do spiritual needs health care pastoral services religious resources statistics and quantitative research methods have in common Traditional literature in the pastoral care counseling and education movement probably would say Not a great deal Indeed the pastoral arts and sciences have tended to be high on art especially praxis but relatively low on science especially quantitative research That's too bad claims Dr Larry VandeCreek who has gathered together a sample of previously published but widely scattered research reports which he hopes will inform hospital chaplains congregational pastors hospital personnel and theological students on ways in which knowledge gained from carefully designed research can enhance their project of care Selecting only quantitative research reports the volume explores such topics as the role of spirituality in terminally ill hospitalized patients the demonstrated helpfulness of prayer in health crisis the possible impact of hope among women with breast cancer the role and impact of chaplaincy services in general hospitals as well as other studies demonstrating a variety of relationships between spirituality and health care *Books in Print*, 1982 **Index to Book Reviews in Religion**, 1992

Family Therapy in Pastoral Ministry John Charles Wynn, 1991 Updated and expanded with a new chapter on counseling families recovering from alcoholism and family violence this guide is a must for any minister's library Has much to offer the Christian pastor and counselor Christianity Today *A Primer in Pastoral Care* Jeanne Stevenson-Moessner, Based on her twenty years of teaching and on her own experience in pastoral care Jeanne Stevenson Moessner has written a basic pastoral care text to assist in the emotional and spiritual preparation of pastoral caregivers Stevenson Moessner expands on her key notion of pastoral care as seen through the interconnection and interplay of love of God love of neighbor and love of self Her brief book is meant to engender confidence and caring in the initiate and to assuage the fear and anxiety that naturally occur when one accompanies people in life changing pain and travail Through skilled use of the parables of the Good Samaritan and the Good Shepherd along with stories from her own experience Stevenson Moessner imparts genuine wisdom and

meaningful support to those who courageously dare to offer caregiving ministry in whatever situation or through whatever method or paradigm Her work unfolds in six chapters 1 Introduction The One Room Schoolhouse 2 Pointers and Precepts The Grammar of Care 3 The Prism of Pastoral Care Scripture Refracted 4 Paradigms in Pastoral Care The Community as Classroom 5 The Open Classroom Places of Care 6 Conclusion An Alphabet of Grace **Paperbound Books in Print** ,1992
