Osatinski, 2023-08-03 20 Seasons Broadway Musicals of the 21st Century catalogues categorizes and analyzes the 269 musicals that opened on Broadway from the 2000 2001 season through the 2019 2020 season This book is the first to comprehensively examine the musicals that premiered on Broadway during this important historical period which was bookended by the 9 11 terrorist attacks on one end and the Coronavirus pandemic on the other It begins by exploring the historical context for the first 20 years of the 21st century and how this impacted American culture and theatre Rather than chronologically the musicals are then organized into categories based on their source material and whether they were original musicals or revivals painting a detailed picture of the Broadway musical in first 20 years of the 21st century Jukebox musicals screen to stage musicals revivals and other original musicals are all covered and each chapter ends with reading guides and discussion prompts The book not only discusses what was produced but by whom uncovering the stark lack of representation for women and artists of color on Broadway musical creative and design teams Additionally the last chapter discusses the COVID 19 pandemic the Broadway shutdown and what happened to the Broadway musical during the shutdown including the response to the Black Lives Matter movement in the summer of 2020 20 Seasons Broadway Musicals of the 21st Century will appeal to fans and scholars of musical theatre as well as students of Musical Theatre Musical Theatre History American Studies and Pop Culture Studies

**The Routledge Handbook of European Integrations** Thomas Hoerber, Gabriel Weber, Ignazio Cabras, 2022-02-27 The Routledge Handbook of European Integrations fills a significant gap in the European studies

literature by providing crucial and groundbreaking coverage of several key areas that are usually neglected or excluded in European integration collections Whilst still examining the largest and most influential institutions bodies and highly funded policy areas as acknowledged dominant topics in European studies it crucially does so with much greater balance by devoting equal billing to areas such as culture in European integration or new technologies and their impact on the EU Organised around three main sections culture technology and tangibles the book offers an authoritative encyclopaedia to alternative areas in European integration from media football Erasmus and tourism to transport space AI and energy retains coverage of the dominant topics in European studies such as the Eurozone the Common Internal Market or European law but in balance with other areas of interest and provides an essential companion to existing scholarship in European studies The Routledge Handbook of European Integrations is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of European integration studies The Open Access version of Chapter 14 in this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
