The Profit Paradox Jan Eeckhout, 2022-10-25 A pioneering account of the surging global tide of market power and how it stifles workers around the world In an era of technological progress and easy communication it might seem reasonable to assume that the world's working people have never had it so good But wages are stagnant and prices are rising so that everything from a bottle of beer to a prosthetic hip costs more Economist Jan Eeckhout shows how this is due to a small number of companies exploiting an unbridled rise in market power the ability to set prices higher than they could in a properly functioning competitive marketplace Drawing on his own groundbreaking research and telling the stories of common workers throughout he demonstrates how market power has suffocated the world of work and how without better mechanisms to ensure competition it could lead to disastrous market corrections and political turmoil *The Profit Paradox* describes how over the past forty years a handful of companies have reaped most of the rewards of technological advancements acquiring rivals securing huge profits and creating brutally unequal outcomes for workers Instead of passing on the benefits of better technologies to consumers through lower prices these superstar companies leverage new

technologies to charge even higher prices The consequences are already immense from unnecessarily high prices for virtually everything to fewer startups that can compete to rising inequality and stagnating wages for most workers to severely limited social mobility A provocative investigation into how market power hurts average working people The Profit Paradox also offers concrete solutions for fixing the problem and restoring a healthy economy *TRAVEL IN FREEDOM*, 2025-09-29 It s never too late to travel rediscover yourself and embrace new adventures This book is designed for women over 50 who want to explore the world with confidence independence and joy You ll find inspiring stories practical travel tips and strategies to plan meaningful safe and empowering trips Discover how to travel alone or with others while reconnecting with your passions your strength and your freedom An inspiring guide that reminds you that age doesn t limit your dreams it redefines them Data Mining with Python Di Wu, 2024-04-10 Data is everywhere and it s growing at an unprecedented rate But making sense of all that data is a challenge Data Mining is the process of discovering patterns and knowledge from large data sets and Data Mining with Python focuses on the hands on approach to learning Data Mining It showcases how to use Python Packages to fulfill the Data Mining pipeline which is to collect integrate manipulate clean process organize and analyze data for knowledge The contents are organized based on the Data Mining pipeline so readers can naturally progress step by step through the process Topics methods and tools are explained in three aspects What it is as a theoretical background why we need it as an application orientation and how we do it as a case study This book is designed to give students data scientists and business analysts an understanding of Data Mining concepts in an applicable way Through interactive tutorials that can be run modified and used for a more comprehensive learning experience this book will help its readers to gain practical skills to implement Data Mining techniques in their work **Proceedings of the 9th IRC Conference on Science, Engineering, and Technology** Jiqiang Lu, Huaqun Guo, Ian McLoughlin, Eyasu Getahun Chekole, Umayal Lakshmanan, Weizhi Meng, Peng Cheng Wang, Nicholas Heng Loong Wong, 2023-12-20 This book highlights the contemporary state of research in multidisciplinary areas of Computer Science Computer Engineering Data Science Electrical and Electronics Engineering Chemical Engineering Mechanical Engineering Physics Biomedical Sciences Life Sciences Medicine Healthcare and Business Technology The accepted submissions to the 9th IRC Conference on Science Engineering and Technology IRC SET 2023 presented on 19 August 2023 are published in this conference proceedings The papers presented here were shortlisted after extensive rounds of rigorous reviews by a panel of esteemed individuals who are pioneers and experts in their respective domains **Multimedia: Making It Work, Ninth Edition** Tay Vaughan, 2014-05-30 Publisher s Note Products purchased from Third Party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product The Most Complete Up to Date Multimedia Guide Thoroughly updated to cover the latest technologies including mobile multimedia this full color resource prepares you for a successful multimedia career by teaching you the fundamental concepts and required skills Multimedia
