Nhl Opening Night In The Us Setup:

Hockey Tonk Craig Leipold, 2008-07-13 Hard hitting nonstop action and that's just what happens off the ice Hockey is the fastest of all team sports an emotional exhilarating and highly entertaining blend of speed finesse intensity and bone crunching physical impact And the NHL's Nashville Predators are in every respect a team to watch But the story leading up to and through the Predators triumphant first season is every bit as exciting as the game itself Hockey Tonk tells of one man's dream of bringing a pro team to a city best known for its music industry The journey from that dream to its fulfillment in an arena filled with 17 000 screaming fans is a story of vision passion hard work perseverance and commitment to long term success It's a story of teamwork and hard nosed competition both on and off the ice Just a few short years ago the majority of Nashville Tennessee didn't know the difference between a blue line and a line dance But now Music City has become a pro sports town thanks to a fiercely competitive hockey team its business and community minded front office and fan support that according to USA Today is second to none

Chill Factor David Paitson, Craig Merz, 2015-03-03 The city of Columbus Ohio had always struggled to support any professional sports franchise It's a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991-99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city's own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill's reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for
