Reporters For The Union:

History Of Journalists Organisations In Madras R. Nurullah, 2021-12-03 The Press in India had been a powerful force since its inception It not only influenced the minds of the people but has also remained a guiding star in the lives of succeeding generations During the Colonial era journals and newspapers started and managed by the nationalist Indians rattled British authorities and forced them to introduce stringent measures against the Press particularly against the Vernacular Press Many a time journals and newspapers were to face proscription from the imperial authorities as fiery articles they feared would push the nation into great chaos Such was the power of the Press Since no journalist organisation in Chennai had all the documents related to the study I made use of websites of different organisations newspapers and magazines However a large chunk of information was culled out from the documents preserved in the office of the Madras Union of Journalists I profusely thank its office bearers for permitting me the access But for their help the task of documentation and study would have been more strenuous As indicated elsewhere in this book the splits in journalist s unions has split their office records also Hence a yawning gap is noticed in the history of different unions in Chennai Some organisations have only limited records in the form of their constitution occasional newsletters or handouts *The Rise and Fall of the International Organization of Journalists Based in Prague 1946-2016* Kaarle Nordenstreng ,2021-01-01 This is a unique history of what in the 1980s was the world s largest association in the media field However the IOJ was embroiled in the Cold War the bulk of 300 000 members were in the socialist East and developing South Hence the collapse of the Soviet led communist order in central eastern Europe in 1989 91 precipitated the IOJ s demise The author a Finnish journalism educator and media scholar served as President of the IOJ during its heyday In addition to a chronological account of the organization the book includes testimonies by actors inside and outside the IOJ and comprehensive appendices containing unpublished documents **Atlantic Reporter** ,1888 *Daily Report, Foreign Radio Broadcasts* United States. Central Intelligence Agency,1969 **The Weekly Reporter** David Sutherland,1891 With v 26 is bound A general digest of criminal cases reported in the Weekly reporter By D E Cranenburgh Calcutta 1893 **Print and Politics** Peter Franks,2001 This is a history of trade unions in the New Zealand printing industry It begins in the early 1860 s when the first unions of typographical workers were formed in Dunedin and Wellington **The Weekly Reporter** ,1883 **The Northeastern Reporter** ,1899 Includes the decisions of the Supreme Courts of Massachusetts Ohio Indiana and Illinois and Court of Appeals of New York May July 1891 Mar Apr 1936 Appellate Court of Indiana Dec 1926 Feb 1927 Mar Apr 1936 Courts of Appeals of Ohio **Reporters for the Union** Bernard A. Weisberger,2003-01-01 **Inside the Mechanisms of Romanian Modernization** Florin Grancea,2006-09-05 This book analyzes in the relation with the Romanian modernity the transformations of the Romanian public sphere political system and journalism from the beginning of the 19th Century up to 2005 The argumentation starts from the idea that the Romanian Enlightenment never had the chance to reach its purpose

the creation of the individual as a human category As a consequence of this historical fact the Romanian modernity was not explored in all its dimensions and was not congruent with its western model of development Only after late 90 s signs for a surpassing historical backwardness were seen in Romania and only after the integration into EU become sure From this perspective this book looks onto the change in the modernization engine of Romania in late 90 s This change is happening as a transgression from a three steps modernization model in which the role of the elite is central to a two steps modernization model in which the role of the elite is minimal Because the three steps modernization model fits the idea of an acclamatory public sphere while the two steps modernization engine fits the concept of civil public sphere this book proves that the Romanian democracy is evolving from its totalitarian background to become a participative democracy The only question unanswered yet is if the elite and the mass media are willing to let Romania and its citizens to breakup the ties with the totalitarian past
