Rethinking Social Realism Stacy I. Morgan, 2004 The social realist movement with its focus on proletarian themes and its strong ties to New Deal programs and leftist politics has long been considered a depression era phenomenon that ended with the start of World War II This study explores how and why African American writers and visual artists sustained an engagement with the themes and aesthetics of social realism into the early cold war era far longer than a majority of their white counterparts Stacy I Morgan recalls the social realist atmosphere in which certain African American artists and writers were immersed and shows how black social realism served alternately to question the existing order instill race pride and build interracial working class coalitions Morgan discusses among others such figures as Charles White John Wilson Frank Marshall Davis Willard Motley Langston Hughes Sterling Brown Elizabeth Catlett and Hale Woodruff Framing the

Audience Isadora Helfgott, 2015-10-15 *Framing the Audience* explores the cultural politics of the Great Depression and World War II through the prism of art appreciation Isadora Helfgott interrogates the ideological and political motivations for breaking down barriers between fine art and popular culture She charts the impact that changes in art appreciation had on the broader political social cultural and artistic landscape *Framing the Audience* argues that efforts to expand the social basis of art became intertwined with and helped shape broader debates about national identity and the future of American political economy Helfgott chronicles artists efforts to influence the conditions of artistic production and display She highlights the influence of the Federal Art Project the impact of the Museum of Modern Art as an institutional home for modernism in America and as an organizer of traveling exhibitions and the efforts by LIFE and Fortune magazines to integrate art education into their visual record of modern life In doing so Helfgott makes critical observations about the changing relationship between art and the American public **American Paintings in Southern California Collections**
