Requiem For A Patriot:

Requiem for a Patriot Alexander CORDELL,1990 *The True Stories of Benedict Arnold* Marvin McKenzie,2024-02-02
This is an intentionally fictional account of the American Revolutionary War traitor Benedict Arnold I have taken what I could learn from the historical records and woven a fictional story around those records In fact there are lessons to be learned from this man Success is not always a sign of greatness Success without humility might lead to a terrible fall The pursuit of happiness and the pursuit of success are not often the same Choose wisely The Bible tells us Proverbs 14 12 KJV There is a way which seemeth right unto a man but the end thereof are the ways of death The greatest wealth is found in the contentment of godliness 1 Timothy 6 6 KJV But godliness with contentment is great gain *A Patriot's History of the United States* Larry Schweikart,Michael Patrick Allen,2004-12-29 For the past three decades many history professors have allowed their biases to distort the way America s past is taught These intellectuals have searched for instances of racism sexism and bigotry in our history while downplaying the greatness of America s patriots and the achievements of dead white men As a result more emphasis is placed on Harriet Tubman than on George Washington more about the internment of Japanese Americans during World War II than about D Day or Iwo Jima more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin A Patriot s History of the United States corrects those doctrinaire biases In this groundbreaking book America s discovery founding and development are reexamined with an appreciation for the elements of public virtue personal liberty and private property that make this nation uniquely successful This book offers a long overdue acknowledgment of America s true and proud history **Time for Patriots** Thomas Wm Hamilton,2008-08 Time for Patriots is a delightful adventure with marvelously crafted characters so realistic I could swear I knew them Guillermo Alfonso Calvo Mah Professor of English and Political Science International Relations Directorate Universidad Autonoma de Manizales Time for Patriots is a fascinating look into a world changed by knowledge from the future Christopher Nuttall Producer and Managing Editor of Changing the Times the online Alternate History magazine www.changingthetimes.net Time for Patriots is a splendid first novel by an author already a serious scientist who has the potential to be a most formidable sci fi author It is a highly imaginative story which reveals both a grasp of science and of history Bernard J Sussman lawyer librarian Whitaker's Books in Print ,1998 **In the Footsteps of Alexander Cordell** Chris Barber,2007 This book takes you into the mind and its workings of a brilliant author and is richly illustrated Personal letters and recorded conversations are included **The Life and Times of Claro M.
