Kurz, 2016-07-27 This unique troika of Handbooks provides indispensable coverage of the history of economic analysis Edited by two of the foremost academics in the field the volumes gather together insightful and original contributions from scholars across the world The encyclopaedic breadth and scope of the original entries will make these Handbooks an invaluable source of knowledge for all serious students and scholars of the history of economic thought

The Elgar Companion to the Chicago School of Economics Ross B. Emmett, 2010-01-01 Many know the Chicago School of Economics and its association with Milton Friedman George Stigler Ronald Coase and Gary Becker But few know the School's history and the full scope of its scholarship In this Companion leading scholars examine its history and key figures as well as provide surveys of the School's contributions to central aspects of economics including price theory monetary theory labor and economic history The volume examines the School's traditions of applied welfare theory and law and economics while providing a glimpse into emerging research on Chicago's role in the development of neoliberalism A companion in the true sense of the word this volume surveys a wide body of Chicago economic studies and guides readers carefully through each The Companion offers biographies of leading Chicago economists and evaluations of the School's connection to approaches to economics that draw from and complement the School including the Virginia School and the work of Armen Alchian and Edward Lazear Moreover this book is a first in many respects as it analyzes the interconnections of the Chicago School's theory methodology and policy and considers by what means and ideas the School's policy framework is driven The breadth and depth of the insights presented here will appeal especially to students and scholars of economics and historians interested in economics social science and applied public policy

The Historiography of Economics A.W. Bob Coats, 2013-10-08 This is the third and final volume of collected papers of A W Bob Coats Coats began to collect material for this volume in the years following the publication of the second volume in 1993 but sadly died in 2007 before the work was completed The volume has now been completed under the editorship of Roger Backhouse and Bruce Caldwell Along with his articles the compilation of the volume also reflects Coats' interest in and commitment to book reviews a selection of which have been chosen for inclusion The book also includes a comprehensive bibliography In addition to a preface by Backhouse and Caldwell the volume also reproduces the obituary that was published in History of Political Economy a memoir published in 1996 and an interview with Grant Fleming published the previous year Together the introductory materials articles and reviews serve as a fitting tribute to the body of work of Bob Coats
