Truth and Rumors Bill Brioux, 2007-12-30 When you first heard it you couldn't believe it Jerry Mathers from TV's Leave It To Beaver had been killed in Vietnam Then word came that Abe Vigoda the actor who played the curmudgeonly cop Fish on Barney Miller was dead and that Mikey who would eat anything as the Life Cereal tyke had eaten too many Pop Rocks and exploded Besides exposing us to things we couldn't otherwise believe television can convince us of things that never actually happened But how did these outrageous TV legends get started How did they spread from classrooms to boardrooms across North America and beyond And most important what do these rumors so quickly transformed into facts and common knowledge reveal about our relationship to reality through the medium of television Put in other words what exactly is it that were doing when were dealing in these fabulous rumors are we chasing after surprising truths or simply more incredible entertainment To take one telling example Jerry Mathers was not actually killed in Vietnam but the basic sense of this lie wasn't far removed from the emotions factually expressed in the two page spread of the faces of the dead in Time magazine In the course of this compelling work which is supplemented with interviews with many of the people implicated in these rumors author Bill Brioux exposes the reality behind the many stories that currently circulate in our culture Through these stories both true and false he sheds a revealing light on just what role these rumors play in contemporary society and what role our society plays in regard to these rumors as well

Xenos Rampant Daniel Mersey, Richard Cowen, 2022-11-24 Science Fiction wargame rules for large skirmishes based on the popular Rampant system Xenos Rampant is a setting agnostic large skirmish miniature wargame for fighting science fiction battles using 28mm figures Developed from the popular Lion Rampant ruleset the core mechanics featured within will be instantly recognisable to those familiar with the other Rampant systems while still being accessible to new players Xenos Rampant contains all the rules army lists and scenarios required to fight science fiction battles as well as a whole host of subgenres including post apocalyptic weird war near future So whatever your science fiction preference the rules can cover it just let

your imagination run rampant **Set Phasers to Stun** Marcus Berkmann, 2016-03-24 Forty seven years after NBC killed it off Star Trek celebrates its half century in a state of rude health Boldly going where several other people have been before Marcus Berkmann tells the story of this sturdy science fiction vehicle from its first five year mission rudely curtailed to three through the dark years of the 1970s the triumphant film series and The Next Generation to the current reboot films with a younger cast taking on the characters of Kirk Spock McCoy and co With wit insight and a huge pile of DVDs he seeks to answer all the important questions Why did Kirk s shirt always get torn when he had a fist fight What s the most number of times Uhura said Hailing frequencies open sir in a single episode Seven And what s the worst imaginable insult in Klingon Your mother has a smooth forehead Patterns in Safety Thinking Geoffrey R. McIntyre, 2000 Safety is more than the absence of accidents Safety has the goal of transforming the levels of risk that are inherent in all human activity while its interdisciplinary nature extends its influence far into most corporate management and government regulatory actions Yet few engineers have attended a safety course conference or even a lecture in the area suggesting that those responsible for the safe construction and operation of complex high risk socio technical systems are inadequately prepared This book is designed to meet the expressed needs of aviation safety management trainees for a practical and concise education supplement to the safety literature Written in a highly readable and accessible style its features include detailed analysis of the forward looking System Safety approach with its focus on accident prevention classification of transportation safety literature into distinct schools of thought Tort Law Reliability Engineering System Safety Engineering real world practical illustrations of the theory the history theory and practice of safety management inter disciplinary thinking about safety The flying public is faced with a bewildering array of aviation safety data from a diverse and ever increasing number of sources This book is an essential guide to the available information and a major contribution to the international public debate on aviation safety Engineering/technology Management ... , 2003 *Nuclear News* , 2006 **Electronic Design** , 1994
