Community Connections for Science Education Phyllis Katz, 2001. Science beyond the schoolhouse is the subject of this close-up look at informal science education in non-traditional settings including Boys Girls Clubs, 4-H, zoos, aquariums, and even public TV. More than a dozen writers draw on personal experience to tell why they became informal science educators and how they use the history and theory of traditional science education in their work. Among the book's features for informal science educators are a resource directory and a special section on program evaluation. *Minnesota Journal of Education*, 1959.
