scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty's Castle. He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment. Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France, how political negotiations affected its design and development, how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia. He reveals what it took to win back the hearts of skeptical Europeans, such as serving wine, selling flashy merchandise and placating disgruntled workers. Finally, he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty-first century. Ultimately, Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism, by needing to be responsive to consumers, is so complex that it may not be as monolithic as feared. *Once Upon an American Dream* is a fairy tale for our times, reminding us that for all the critical huffing and puffing, the creation and marketing of pleasure is what Euro Disneyland is all about. The New Yorker, Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell, White, Rea Irvin, Roger Angell, 2007. **Cable Vision**, 1998. *Brandweek*, 2008-04. *Advertising & Sales Promotion*, 1973. **Billboard**, 2005-09-03. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events, brand content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Weekly Television Digest with Consumer Electronics, 1980. **Cue**, 1963.
