The text of this edition is based on copy 7 currently in the possession of the Library of Congress Where there s freedom of speech and freedom of the press there cannot be dangerous ideas There can be imaginative and unimaginative original and trite ideas but no dangerous ones The advocacy of public sabotage misery and oppression for the sake of private aggrandisement and power is dangerous but it is not an idea In a democratic society the man who advocates personal gain at public expense would be greeted as a lunatic since he expresses not reasoned conclusions but an irrational will to dominate over and enslave other men from the text
