Buy Now Emily West, 2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon's consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand's focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand's image control strategies West considers why pushback against Amazon's ubiquity and market power has come mainly from among Amazon's workers rather than its customers or competitors arguing that Amazon's brand logic fragments consumers as a political bloc West's innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today's economy The Punk Rock of Business Jeremy Dale, 2018-09-25 Author Jeremy Dale believes that too many businesses create an environment that encourages mediocrity and corporate norms that deliver lukewarm results at best In The Punk Rock of Business Dale offers a road map away from average and towards innovation through a mindset rooted in punk rock principles In this fast paced actionable guidebook readers will find Eight punk rock principles to help you redefine your place in the corporate world for the better A set of characteristics to strive for that will liberate you and accelerate your success Countless examples drawing on both the classic stories from the music genre's industry changing legacy and Dale's years of business success to illustrate these principles and characteristics in action Straightforward lessons and actions to start taking today right now to break through corporate norms and build something greater Punk rockers had a cause They aimed for authenticity and refused to conform In doing so they created a dramatic change that shook society to its core It was a much needed wake up call for the conservative part of the music industry Jeremy Dale wants you to do the same in the business world and in The Punk Rock of Business he gives you the tools you need to accomplish that goal **Informationweek**, 2008 WHO ARE AMERICANS ?
