

# The Tour of Britain

## Questions

### What?

The Tour of Britain is a famous bike race that travels through England, Scotland and Wales and is an important event for the sport of cycling. The current version of the Tour of Britain has been running since 2016. The first version of the Tour of Britain was founded in 1931.

Thousands of people from around the world watch the Tour of Britain on television. People in the UK can watch it for free by standing on the roadside. In some areas, roadside fans in motorbikes follow the cyclists through at great speeds and sometimes crash and fall off.

### What?

There are 20 teams from around the world that will take part in the race. Each team has an owner and each rider has a different job to do.

- the team leader will try to win most of the stages
- the sprinter is the fastest rider
- the climber is the best at cycling up hills
- the helpers are there to help the whole team win - they may protect the leader from the wind or bring their food and drink so that they do not have to stop cycling

Every member of the team needs food so that they will succeed as a team. Great Britain usually enters a national team in the Tour of Britain, alongside other British teams, and some of the best British cyclists have taken part in the race. Bradley Wiggins and Mark Cavendish, two of the most famous riders in cycling, have both been very successful.

The winner of the 2022 Tour of Britain was Francesco Benucci from Spain.
