Also published as part of the Rough Guide to Canada. Now available in ePub format.

Mount Robson Jane Lytton Gooch, 2013 When Jane Gooch first camped at Lake O'Hara in 1975 she could not have foreseen how important the Rockies would become in her life. She travelled from her home in Vancouver many times during the summer months to hike in the mountains and her love of the alpine landscape eventually inspired her to study the artists who have painted in the Rockies. Her great enjoyment of the outdoors and a lifelong interest in art were combined with her academic background in writing and research. Mount Robson Spiral Road of Art celebrates the centennial of Mount Robson Provincial Park with over a century of remarkable landscape paintings inspired by the Robson region in the Canadian Rockies. This volume includes an extensive Introduction with historical and cultural background to the 50 colour plates, all documented and described, illustrating artists' works in a variety of styles and media from 1907 to 2012. Early artists include A.P. Coleman, the first explorer and Group of Seven members A.Y. Jackson and Lawren Harris. In addition, the works of 17 contemporary artists show that the Mount Robson area continues to stimulate landscape art up to the present. Only 10 of the images have been published before.
