Janice Dean shares the journeys and lessons she's learned from everyday heroes taking on long odds. After her acclaimed memoir *Mostly Sunny*, Janice Dean figured she was done trying to survive or bring down awful men. Then she found herself taking on Governor Andrew Cuomo on social media and then at rallies. What at first seemed like a futile fight ended with Cuomo's historic resignation. But it caused Janice to wonder: What fuels someone's resolve to go up against a powerful opponent? And how can ordinary people make the world a better place? In *I Am the Storm*, Janice shares the stories of others who stood like David against Goliath, choosing to fight for what was right rather than take the easy path. In the book, she shares stories from ordinary people doing extraordinary things, such as a California chef who went up against the government to help restaurants and restaurant workers; an American college hockey team that beat Soviet champions; a mother taking on the opioid crisis after her daughter dies; a gymnast working to reform a broken and abusive system; a courageous southern nurse who headed to NYC at the height of the pandemic. These and other true stories will reveal what it takes for real people to go through life's storms. And sometimes those storms leave permanent damage. You may need a box of tissues as you read about a veteran who lost his hearing and sight to an IED or a Minnesota mom who took up the fight against the opioid epidemic after losing her own daughter. But even in our darkest seasons, Janice shows we can still have hope, resilience, and perseverance. *I Am the Storm* is an uplifting call to be brave like David, no matter what Goliaths we face.
