Through Adversity to Attainment William A. Franklin, 2005 It s a story of a professional gardener s son living quite comfortably up until the time of England s general strike The duration of one year was just too much for the average family which left my parents practically penniless When the strike started in late November 1926 it also put my father on the dole The impossible task

which was beyond his capabilities created the loss of his job He was told of additional duties he was to perform and he refused The labours of a gardener to provide for 300 plus is a full time job in itself but the addition of being a chauffeur upon demand and to be a waiter at the evening dinner table was far more than anybody should be asked to do Christmas 1927 we were poor with hardships occurring during the ensuing years before the war In 1939 the war appeared imminent so I became a part of the RAF reserve as a storekeeper and shortly afterwards was mobilized on September 2 1939 Such episodes as the Brize Norton Bombing are detailed along with other events which transpired After I was posted to a mobile squadron 242 Hurricane we were shipped to an unknown destination We became part of the allied force in the Dutch East Indies followed by the Dutch Capitulation to become prisoners of war to the Japanese which led to atrocities in four labour camps then into Fukuoka 2 Nagasaki Slavery greatly reduced our anatomies to skeletons myself to 84 lbs Of all the red cross parcels shipped to us we saw very little of their contents The A Bomb or Fat Boy was our salvation It saved invasion and the massacre of the POW s On the way home we still faced dangers at sea mines and typhoons Here my faith was to prevail Family reunions and rehabilitation was painful and hard Finally I answered the requests of the Canadian government seeking tradesmen After complying with all the requirements of immigration my family was accepted I can only say I have given my best but I deplore the actions of many Canadians who have become gullible to many devices
