Side By Side French And English Grammar:

Side-By-Side French and English Grammar C. Frederick Farrell,2003-10-29 A comparative and simple approach to learning the grammar of a new language The Side by Side Grammar books present explanations of the essential elements of Spanish or French grammar alongside their English language equivalents This method allows students to build on what they already know not only do readers learn grammar for a new language but also enjoy the added benefit of strengthening their grammar skills in their native tongue Each lesson clearly explains functions and uses of the different parts of speech and includes abundant examples for each entry Because the vocabulary is limited to frequently used words students can concentrate more on a sentence s structure instead of becoming tangled in its meaning A Quick Check section summarizes main ideas in each section and helps readers retain the most important information New to these editions are exercise sections to further reinforce students comprehension **Side by Side French & English Grammar** Edith R.
