*Shree Maa the Guru and the Goddess* Swami Satyananda Saraswati,1995      **Guru and the Goddess** ,1996 This is the first critical introduction to Difference and Repetition Gilles Deleuze s most important work of philosophy and one of the most significant texts of contemporary philosophy In offering a critical analysis of Deleuze s methods principles and arguments the book enables readers to engage with the revolutionary core of Deleuze s philosophy and take up favourable or critical positions with respect to its most innovative and controversial ideas The book will also help to extend Deleuze s work to philosophers working in the analytic tradition      *The Power of Tantra* Hugh B. Urban,2009-10-30 In the West the varied body of texts and traditions known as Tantra for more than two centuries has had the capacity to scandalize and shock For European colonizers Orientalist scholars and Christian missionaries of the Victorian era Tantra was generally seen as the most degenerate and depraved example of the worst tendencies of the so called Indian mind a pathological mixture of sensuality and religion that prompted the decline of modern Hinduism Yet for most contemporary New Age and popular writers Tantra is celebrated as a much needed affirmation of physical pleasure and sex indeed as a cult of ecstasy to counter the perceived hypocritical prudery of many Westerners In recent years Tantra has become the focus of a still larger cultural and political debate In the eyes of many Hindus much of the western literature on Tantra represents a form of neo colonialism which continues to portray India as an exotic erotic hyper sexualized Orient Which then is the real Tantra Focusing on one of the oldest and most important Tantric traditions based in Assam northeast India Hugh B Urban shows that Tantra is less about optimal sexual pleasure than about harnessing the divine power of the goddess that flows alike through the cosmos the human body and political society In a fresh and vital contribution to the field the author suggests that the real meaning of Tantra lies in helping us rethink not just the history of Indian religions but also our own modern obsessions with power sex and the invidious legacies of cultural imperialism      *Shree Maa, the Guru and the Goddess* ,1995 She is the Guru She is the Goddess She is the inspiration for many thousands of spiritual aspirants in many parts of the world Her every action reflects the abandonment of selfishness This book is a powerful combination of important teachings including the Kashyapa Sutras the Guru Gita and the Lalita Trishati The Kashyapa Sutras is a series of delightful discussions with Shree Maa and Swamiji in which they share engaging humorous stories deep universal philosophies and transcendently sublime songs The Guru Gita recounts the dialog between Parvati and Shiva regarding the relationship between the Guru and disciple and how to serve the Guru Lalita is the playful beautiful and beloved Goddess She is also the Goddess who distinguishes the individual forms and names of this creation The Lalita Trishati Stotram is the three hundred names of the Playful Divine Mother These three teachings combine to make a foundation upon which to establish devotional practices Each three parts of this book are invaluable to lovers of philosophy the Guru and the Playful Divine Mother Complete with Sanskrit Roman transliteration and English translations Also included is a list of seed mantras designed to
