Quilting Patchwork and Applique Caroline Crabtree, Christine Shaw, 2007-09-25 A comprehensive and invaluable survey of these universally appealing textiles for anyone interested in art, craft, decorative objects, and interior design. Native American Seminole clothing, Dutch quilted petticoats, Swedish wedding cushions, African American narrative quilts, Italian applique d'furnishings, Eastern European braided waistcoats, nineteenth century American block patterns, traditional English quilts, Korean pojagi, Turkish strip patchwork, prayer rugs, Pacific tivaivai quilts, Indian applique, Thai baby-carrying cloths, Ghanaian flags, French trapunto, Japanese sashiko, and Spanish inlay applique saddle trappings: the traditional crafts of quilting, patchwork, and applique are universal and their uses astonishing. This book is the first worldwide survey of these wonderfully decorative techniques: quilting, in which layers of fabric are stitched together; patchwork, in which old or new fabric pieces are cut and re-stitched to produce a new textile; and applique, in which old or new fabric pieces adorn another fabric. It is organized in three main sections: Materials (from wool, flax, linen, cotton, and silk to the manufacture of synthetics); Uses (from household items and clothing through the ages to ritual and ceremonial objects such as wedding quilts and banners); Construction (detailed explanations of the many techniques found around the world). The book also includes advice on how to care for your objects, a guide to collections around the world, a detailed glossary, and a bibliography. Caroline Crabtree, trained as an embroiderer in the UK and coauthor of *Beadwork: A World Guide*, has taught patchwork quilting and dyeing for many years, and her own quilts have been widely exhibited.
