### **Practice To Deceive A Holland Taylor Mystery:**

*Practice to Deceive* David Housewright, 2012-01-10 The swindling of an elderly widow leads to a greased lightning tale of scam and counterscam from an Edgar Award winning author Kirkus Reviews When a drunk driver kills her entire family Florida retiree Irene Gustafson is left rich and alone Between savings and life insurance the death of her son and his family leaves her with nearly 300 000 a veritable fortune in a community where most live off social security Following the advice of Ann Landers Mrs Gustafson hands the money over to an investment manager The returns are steady until he starts investing in Willow Tree a low income housing development on the fringes of the Twin Cities The money vanishes and Mrs Gustafson is destitute That s where Holland Taylor Minneapolis private detective comes in His recently retired parents are Mrs Gustafson s neighbors and they want Taylor to recover the old lady s money It seems impossible but as he investigates Willow Tree he finds a twisted real estate conspiracy with deep roots in city politics and a vicious killer hired to protect the secret

*Penance* David Housewright, 2012-01-10 Edgar Award Winner A PI in St Paul Minnesota must clear his own name when the drunk driver who killed his wife is shot dead Holland Taylor is comfortable in interrogation rooms For years the cold dark cells of the Minneapolis homicide squad were his turf and with the help of his partner he wrung confessions out of countless killers But that was long ago Tonight Taylor s on the other side of the desk Tonight he s the suspect Taylor s career in the department ended after his wife and daughter were killed in a drunk driving accident The culprit John Brown was sentenced to a measly six years for vehicular manslaughter and Taylor vowed bloody vengeance in front of open court After a few months of freedom Brown is shot dead and Taylor now a private investigator is called in as the obvious suspect He didn t kill John Brown but he ll find out who did even if it means tearing Minneapolis apart from the inside out [Dearly Departed](#)

David Housewright, 2012-01-10 From an Edgar Award winning author An enjoyable mystery with a corker of an ending featuring a Minnesota cop turned PI Booklist The woman s words send an icy chill through Minneapolis private investigator Holland Taylor If you are listening to this now she says it is because I am dead Speaking calmly Alison Emerton explains that if she is missing it is because Raymond Fleck killed her Fleck a convicted rapist lost his job at a humane kennel after Alison accused him of sexual harassment and stalking The threats began soon after prompting Alison to buy a gun and record the tape She vanished soon after leaving behind her wallet coat and boots on a night when twenty three inches of snow fell on Minneapolis Seven months later her lawyer hires Taylor to find the missing woman As Taylor digs into Alison s past he learns that Raymond Fleck was not the only person who wanted her dead **A Hard Ticket Home** David Housewright, 2004-05-04 Ex St Paul cop Rushmore McKenzie has more time and more money than he knows what to do with In fact when he s willing to admit it to himself and he usually isn t Mac is downright bored Until he decides to do a favor for a friend facing a family tragedy Nine year old Stacy Carlson has been diagnosed with leukemia and the only one with the matching bone marrow that can save her is her older sister Jamie Trouble is Jamie ran away from home years ago Mac begins combing the backstreets of

the Twin Cities tracking down Jamie's last known associates. He starts with the expected pimps and drug dealers but the path leads surprisingly to some of the Cities most respected businessmen as well as a few characters far more unsavory than the street hustlers he anticipated. As bullets fly and bodies drop, Mac persists only to find that what he's looking for and why are not exactly what he'd imagined. David Housewright's uncanny ability to turn the Twin Cities into an exotic brooding backdrop for noir fiction and his winning witty hero Rushmore McKenzie serve as a wicked one-two punch in *A Hard Ticket Home*, a series debut that reinforces Housewright's well-earned reputation as one of crime fiction's rising stars. *Bowker's Guide to Characters in Fiction* 2007, 2008-02

Tin City David Housewright, 2005-05-01 Mac McKenzie is rich. So rich that he's left his job as a Twin Cities police officer and spends his time doing favors large and small for friends. So when an old Marine buddy of his father's calls with a request, Mac takes the time to help him out. And it is one of the stranger favors he's ever been asked: the elderly Mr. Mosley, a beekeeper, wants Mac to find out why his bees are suddenly dying in droves. Mac does some digging and before long turns up a hornet's nest of trouble in the person of Frank Crosetti, a new neighbor on the property abutting Mosley's bees. What started out as an innocent investigation into some unregulated pesticide quickly turns lethal. Crosetti sticks around long enough to make some very specific threats, then disappears into the wind, leaving behind a vicious rape, a lifeless body, and a very angry McKenzie bursting for someone to blame. With only the faintest of trails to follow and a suspicious group of federal agents gunning for him, Mac dives underground, taking only a stash of cash and a small arsenal with him on his undercover mission. Before long, Mac's deep in the forgotten corners of Minneapolis, sniffing for any sign of Crosetti, unable to rest until he gets results. Combining engaging humor and wit with action-packed storytelling, Edgar Winner David Housewright's second Mac McKenzie novel is clever, compelling, and thoroughly enjoyable. **The Publishers Weekly**, 1997

**What Doesn't Kill Us** David Housewright, 2021-05-25 In David Housewright's next novel featuring the beloved Rushmore McKenzie, What Doesn't Kill Us, McKenzie has been shot and lies in a coma while the police and his friends desperately try to find out what he was doing and who tried to kill him. Rushmore McKenzie, former St. Paul police detective and unexpected millionaire, does the occasional unofficial private detective work, mostly favors for friends. He's faced kidnappers, domestic terrorists, art thieves, among others, and had a hand in solving some of the most perplexing mysteries of the Twin Cities. But this time, his prodigious luck and intuition may have finally failed him. He was shot in the back by an unknown assailant and lies in a coma. His childhood friend, Lt. Bobby Dunston of the St. Paul Police Department, assigns his best detective to the case while other figures on both sides of the law pursue the truth. What was McKenzie investigating? What did he learn that so threatened someone that they tried to kill him? What do a sketchy bar in the wrong part of town, the area's prominent tech millionaire, family drug dealers, investment bankers, and a mysterious woman who left an unknown package for McKenzie all have in common? As time slowly begins to run out, the answer to those questions might be what stands between life and death. Dead Boyfriends David Housewright, 2007-05-01 Right up until they put him in jail.

McKenzie thought the cops were kidding After all he did them a favor by stopping a rookie cop from roughing up a distraught woman at a murder scene But the next thing Mac knows he s in jail missing an important date with his girlfriend and reliving nightmares he thought he d finally left behind and he s vowing payback for all of it If that means sticking his nose into a crime investigation well he s done it before Only what appears to be a straightforward case of a cheating boyfriend his alcoholic girlfriend and an opportune baseball bat proves far more complicated than the police are willing to accept More disconcerting as he investigates Mac finds himself again fighting the influence of a shadowy figure who controls more of what goes on in the Twin Cities than a rational voter would believe And then there are the unidentified thugs who kill a witness and rough up him and his female lawyer ally Soon Mac realizes that the truth of this sordid crime may be as hard to find and as hard to live with as the justice he seeks The Writers Directory ,2013 What Do I Read Next? ,1998
